From the desk of President
Dear Members,

It's been another year of glories and successes for the Association. It's my pleasure to present to you the Annual report and Accounts for the year 2013-14.

We commenced the year with the historic and memorable test match between India and West Indies which marked an end to the glorious career of Mr. Sachin Tendulkar. The test match was successfully hosted by the Association with the help of all the members. The test match will be remembered by the entire cricketing fraternity for years to come.

The Association has taken some major steps towards assisting the cricketers of yesteryears. The Association has decided to increase the pension amount to Rs.20,000/- per month from Rs.10,000/- per month for the umpires and players above the age of 70 years. Further the one time medical assistance is increased to Rs.50,000/- from Rs.25,000/- for the players and umpires those who are not covered by the BCCI scheme.

The Association also provided scholarships to deserving and needy junior cricketers under the Sharad Pawar Scholarship scheme.

Apart from the cricketing activities, the Association has also resolved the long pending issue of revision of rent of the tenants. It was decided to increase the rent of the tenants from Re.1 per sq. ft. per month to Rs.15 per sq.ft. per month. Further the tenants shall bear the actual property tax, water and electricity charges.

The Association has inaugurated the Sachin Tendulkar Gymkhana, Kandivali on 11th November 2013 and the facilities are appreciated by the members.

The Association continues to encourage the game in the suburban areas. With this aim the Association is continuously working towards developing new grounds in the suburbs.

Sharad Pawar

The salient features are briefly as under;

- ❖ The fixed assets after depreciation now stand at Rs. 281Cr
- ❖ The current assets are higher by Rs. 31.48 Cr. mainly due to increase in Fixed Deposits by Rs.23.50 Cr. Accrued Interest by Rs. 1.59 Cr, Income Tax paid under protest Rs.12.73 Cr (and reduction by Rs.7.25 Cr. in BCCI a/c)
- ❖ The liabilities are less by Rs.6.28 Cr. which is due to appropriation of AC Box income against advance received.
- ❖ The net worth is finally higher by Rs.6.18 Cr and stood at Rs.265.43 Cr as on the end of March 2014.

As reported earlier, the pressure of payment of Income Tax demand continued in this year too. The Association was compelled to pay further amount of Rs.12.73 Cr despite having appeals pending at various levels. The total Income Tax demands till Assessment Year 2012-13 stood at Rs.74.27 Cr out of which Rs.17.24 have been paid.

I thank office bearers and members of the managing committee, the members of MCA, and staff members for their support and co-operation.

AUDITORS' REPORT

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF MUMBAI CRICKET ASSOCIATION

Report on the Financial Statements

We have audited the accompanying financial statements of **MUMBAI CRICKET ASSOCIATION** ("the Association") which comprise the Balance Sheet as at 31st March, 2014, the Income and Expenditure Account for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Association's Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the Association in accordance with the Accounting Standards and in accordance with the accounting principles generally accepted in India. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Association's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis for Qualified Opinion

1. Certain matters which were reported in our audit report of the previous year, and which continue to remain unresolved as at 31st March, 2014 are summarised as under:
 - a) Attention is invited to Note 5 of Schedule 20 to the financial statements, regarding a contract entered into with Shirke Infrastructure ('Contractor') to develop Indoor Cricket Academy ('ICA') and related facilities ('ICA Facilities'). The sums received under the contract as well as the capitalised amount of ICA and ICA Facilities are credited to corpus of the Association. The Association has taken a view that the same is eligible for income tax exemption and no provision for tax is required.
 - b) Attention is invited to Note 10(c) of Schedule 20 to the financial statements, regarding the non-provision of the tax, which is based on legal opinion obtained by the Association.
 - c) Attention is invited to Note 7 of Schedule 20 to the financial statements, regarding allotment of Air-conditioned boxes. The Association has accounted for certain transactions on the basis of the Association's current understanding/ assessment/ available information in the absence of signed

contracts/ agreements/ confirmation from the counter parties/ all the required documentation, in respect of following matters:

- i. it has received amount of ₹8,000,000 in year ended 31st March, 2011, from existing donors towards Air-conditioned boxes at Wankhede Stadium and accordingly the amount is added to the Building Fund.
- ii. the Association is of the view that there are no other indirect taxes applicable on the transactions.

In the absence of complete information, we are unable to form an opinion on the correctness/completeness/validity of the above income/expenditure/asset/liability recognised in the financial statements for the year ended 31st March, 2014.

2. Attention is invited to Note 3 of Schedule 20 to the financial statements, as provided in the Settlement agreement, the Association has agreed to make available to Garware Club House ("GCH") additional Floor Space Index ("FSI") of 100,000 sq. ft. for additional constructions of GCH. The Settlement Agreement provides such new/additional construction shall vest with the Association. According to the information and explanations given to us, the construction of Phase I and II have been completed in the previous years and that of Phase III is in progress as on 31st March, 2014. These transactions have not been recorded in the books of the Association. Till the year ended 31st March, 2013, the Association had recognised income from GCH "under protest". The Association, in the current year has decided not to recognise the income from GCH (net of TDS), till the time the settlement agreement is signed. Accordingly, the income aggregating to ₹8,138,880 has been reversed and ₹602,880 is recognized as income based on TDS certificate received in the current year. In the absence of information, we are unable to comment on the same.
3. Attention is invited to Note 5 (E) of Schedule 20 to the financial statements regarding amount of ₹70,000,000 received from Shirke Infrastructure. In the absence of necessary details, the amount has been accounted as Advance received in the current year. We are unable to comment on the accounting.

Qualified Opinion

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion paragraph above, the aforesaid financial statements give a true and fair view in conformity with the accounting principles generally accepted in India:

- (a) in the case of the Balance Sheet, of the state of affairs of the Association as at 31st March, 2014;
- (b) in the case of the Income and Expenditure Account, of the deficit of the Association for the year ended on that date.

Emphasis of Matter

Attention is invited to Note 6 of Schedule 20 to the financial statements, regarding the "Sports and Recreation Centre" Kandivali constructed by Shirke Recreation Enterprise which was handed over by the Association to Municipal Corporation of Greater Mumbai ('MCGM'). The cost of assets and construction of the facility have not been recognised in the books of Accounts.

Our opinion is not qualified in respect of this matter.
