## AUDITORS' REPORT 2016 - 17

### INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF MUMBAI CRICKET ASSOCIATION

#### Qualified Opinion

We have audited the accompanying financial statements of **MUMBAI CRICKET ASSOCIATION** ("the Association") which comprise the Balance Sheet as at 31st March, 2017, the Income and Expenditure Account for the year then ended, and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in Basis for Qualified Opinion paragraph below; consequential cumulative effect thereof is not ascertainable, the aforesaid financial statements give a true and fair view in accordance with the accounting principles generally accepted in India in the case of the Balance Sheet of the state of affairs of the association as at March 31, 2017 and in the case of Income and Expenditure Account of the surplus of the association for the year ended on that date.

#### Basis for Qualified Opinion

1. Certain matters which were reported in the audit report of the previous year, and which continue to remain unresolved as at 31st March, 2017 are summarised as under:
  - 1) Attention is invited to Note 3 of the schedule 20 to the financial statement, as per the terms of Memorandum of Understanding (MOU), Association is entitled to receive compensation in respect of the incremental area which may be built up by Garware Club House (GCH). The MOU also provides that the cost of construction is in the first instance to be paid and borne by GCH and subsequently GCH shall adjust the compensation due to the Association against such costs. However, in absence of complete details regarding cost incurred by GCH, the Association has neither recognised the increase in area or value of the Asset/ Liability towards cost of assets nor has recognized any income in respect of compensation so adjusted by GCH.
  - 2) Attention is invited to Note 8 (D) of Schedule 20 to the financial statements, regarding the non-provision of the tax on account of withdrawal of registration under section 12(A) by the tax authorities, which is based on legal opinion obtained by the Association. The Association has created an adhoc provision for above contingency amounting to Rs. 3100 lacs and added Rs. 3500 lacs in the year 2016-17 and balance of Rs. 8394.57 lacs has been disclosed as contingent liability.
  - 3) Attention is invited to Note 4 (C) of Schedule 20 to the financial statements, regarding MCA has received notice from MMRDA for violation of certain conditions of lease agreement with MCGM. The MCA is pursuing the matter with MMRDA and accordingly no financial impact, if any, has been considered in these financial statements.

#### Emphasis of Matter

1. Attention is invited to Note 6 of Schedule 20 to the financial statements, regarding allotment of Air-conditioned boxes, the Association is of the view that there are no other indirect taxes applicable on the transactions, other than Entertainment Tax.
2. Attention is invited to Note 8 (B) of Schedule 20 to the financial statements, regarding demand notice received by the Association on account of retrospective increase in property tax from the year 2010. Based on legal advice obtained, the Association has registered their protest against this demand and accordingly disclosed the same in the financial statements.

3. Attention is invited to Note 8 (C) of Schedule 20 to the financial statements, regarding demand notice received by the Association from MCGM in respect of License fee (including interest) for Kandivali property for the period 19th December, 2007 to 18th December 2016. Since the Association has communicated its objection towards the levy of such interest, the same has been disclosed as contingent liability.
4. Attention is invited to Note 8 (F) of Schedule 20 to the financial statements, regarding rental income on premises handed over to tenants post re-development of Wankhede stadium, the Association has not recognised the rental income in the financial statements in view of the ongoing legal matters with the tenants.

**Our opinion is not qualified in respect of these matters.**

### **Management's Responsibility for the Financial Statements**

The Association's Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the Association in accordance with the Accounting Standards and in accordance with the accounting principles generally accepted in India. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### **Auditors' Responsibility**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

### INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF MUMBAI CRICKET ASSOCIATION

#### Qualified Opinion

We have audited the accompanying financial statements of **MUMBAI CRICKET ASSOCIATION** ("the Association") which comprise the Balance Sheet as at 31st March, 2018, the Income and Expenditure Account for the year then ended, and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in Basis for Qualified Opinion paragraph below; consequential cumulative effect thereof is not ascertainable, the aforesaid financial statements give a true and fair view in accordance with the accounting principles generally accepted in India in the case of the Balance Sheet of the state of affairs of the association as at March 31, 2018 and in the case of Income and Expenditure Account of the surplus of the association for the year ended on that date.

#### Basis for Qualified Opinion

1. Certain matters which were reported in the audit report of the previous year, and which continue to remain unresolved as at 31st March, 2018 are summarised as under:
  - 1) Attention is invited to Note 3 of the schedule 21 to the financial statement, as per the terms of Memorandum of Understanding (MOU), Association is entitled to receive compensation in respect of the incremental area which may be built up by Garware Club House (GCH). The MOU also provides that the cost of construction is in the first instance to be paid and borne by GCH and subsequently GCH shall adjust the compensation due to the Association against such costs. However, in absence of complete details regarding cost incurred by GCH, the Association has neither recognised the increase in area or value of the Asset/ Liability towards cost of assets nor has recognized any income in respect of compensation so adjusted by GCH.
  - 2) Attention is invited to Note 8(d) of Schedule 21 to the financial statements, regarding the non-provision of the tax on account of withdrawal of registration under section 12(A) by the tax authorities, which is based on legal opinion obtained by the Association. The Association has created an adhoc provision for above contingency amounting to Rs. 6600 lacs and added Rs. 1500 lacs in the year 2017-18 and balance of Rs. 8,006.10 lacs has been disclosed as contingent liability.
  - 3) Attention is invited to Note 4 (C) of Schedule 21 to the financial statements, regarding MCA has received notice from MMRDA for violation of certain conditions of lease agreement with MCGM. The MCA is pursuing the matter with MMRDA and accordingly no financial impact, if any, has been considered in these financial statements.

#### Emphasis of Matter

1. Attention is invited to Note 6 of Schedule 21 to the financial statements, regarding allotment of Air-conditioned boxes, the Association is of the view that there are no other indirect taxes applicable on the transactions, other than Entertainment Tax.
2. Attention is invited to Note 8 (B) of Schedule 21 to the financial statements, regarding demand notice received by the Association on account of retrospective increase in property tax from the year 2010. Based on legal advice obtained, the Association has registered their protest against this demand and accordingly disclosed the same in the financial statements.

3. Attention is invited to Note 8 (C) of Schedule 21 to the financial statements, regarding demand notice received by the Association from MCGM in respect of License fee (including interest) for Kandivali property for the period 19th December, 2007 to 18th December 2016. Since the Association has communicated its objection towards the levy of such interest, the same has been disclosed as contingent liability.
4. Attention is invited to Note 8 (F) of Schedule 21 to the financial statements, regarding rental income on premises handed over to tenants post re-development of Wankhede stadium, the Association has not recognised the rental income in the financial statements in view of the ongoing legal matters with the tenants.

#### **Matters relating to Going Concern:**

Attention is invited to Note 13 of Schedule 21 to the financial statements, regarding expiry of Lease agreement with Government of Maharashtra for land on which Wankhede Stadium is constructed in February, 2018. Association has applied for renewal of lease agreement to Government of Maharashtra. As explained to us by the Association, the said lease agreement will be renewed and consequently, has recognised the related income and expenses with the assumption of Going Concern.

**Our opinion is not qualified in respect of these matters.**

#### **Management's Responsibility for the Financial Statements**

The Association's Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the Association in accordance with the Accounting Standards and in accordance with the accounting principles generally accepted in India. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

#### **Auditors' Responsibility**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
