ICC retains the final say in determining whether any Logo is within the permitted parameters.

- 3 ICC will review any application for a Logo to be ICC Approved which has been received in accordance with clause 2 above and within 3 days of receipt of such application (counting from the first business day on which, or following which, the application was received and discounting any intervening days which are not regular business days - e.g. weekends and public holidays) shall respond to the applicant, acknowledging receipt of the application and, if applicable, confirming that ICC has been provided with the required information and materials or, alternatively, stating that ICC considers that it has not been provided with all requisite details/materials as set out in clause 2 above and requesting that the applicant provides the same.
