Playing Conditions
(incorporating the 2017 Code of the MCC Laws of Cricket)
Applicable for Dr H D Kanga League

Unless otherwise decided by Dr. H.D. Kanga Cricket League Sub-Committee and save as herein stated in the Rules, the matches shall be played in accordance with the Laws of Cricket (2017 Code) and Model Rules / Playing Conditions published by the Mumbai Cricket Association and circulated to its members Clubs / Gymkhanas and as per the playing conditions mentioned hereinafter.

Preamble - The Spirit of Cricket

Cricket owes much of its appeal and enjoyment to the fact that it should be played not only according to the Laws (which are incorporated within these Playing Conditions), but also within the Spirit of Cricket.

The major responsibility for ensuring fair play rests with the captains, but extends to all players, umpires and, especially in junior cricket, teachers, coaches and parents.

Respect is central to the Spirit of Cricket.

Respect your captain, team-mates, opponents and the authority of the umpires.

Play hard and play fair.

Accept the umpire's decision.

Create a positive atmosphere by your own conduct, and encourage others to do likewise.

Show self-discipline, even when things go against you.

Congratulate the opposition on their successes, and enjoy those of your own team.

Thank the officials and your opposition at the end of the match, whatever the result.

Cricket is an exciting game that encourages leadership, friendship and teamwork, which brings together people from different nationalities, cultures and religions, especially when played within the Spirit of Cricket.

1 THE PLAYERS

A player who has been suspended from participating in a match shall be permitted from the toss of the coin and for the remainder of the match thereafter be permitted to enter the players' dressing room / tent provided that the players' dressing room / tent (or any part thereof) for the match is not within the playing area described in clause 1.2.5.2 above

1.3.2 If a captain is not available to nominate the players, then any person associated with that team may act as his deputy to do so. See clause 1.2.

1.3.3 At any time after the nomination of the players, only a nominated player can act as deputy in discharging the duties and responsibilities of the captain as stated in these Playing Conditions, including at the toss

1.4 Responsibility of captains

The captains are responsible at all times for ensuring that play is conducted within the Spirit of Cricket, as well as within these Playing Conditions.

2 THE UMPIRES

2.1 Appointment and Attendance

Umpires shall be appointed by The Mumbai Cricket Association for all the matches.

They shall be present on the ground at least 45 minutes before the scheduled start of play on each day.

However, if the appointed umpire/umpires has/have failed to reach within 15 minutes of the scheduled start of the match, the match observer shall appoint an Umpire from reserve Umpire present. Such umpires appointed by the Observer shall officiate as full-fledged umpires.

Under no circumstances the match shall be postponed for the want of Umpires or any disagreement over the appointment of the Umpire/s. If a match is not played due to any disagreement over the appointment of the Umpire/s the defaulting Club/Gymkhana shall be debarred from further participation in the said league in that year.

2.2 Change of umpire

An umpire shall not be changed during the match, other than in exceptional circumstances, unless he/she is injured or ill.

2.3 Consultation with Captains

Before the match the umpire shall consult with Captains to determine

2.3.1 The boundary of the field of play

2.4 The wickets, creases and boundaries

Before the toss and during the match, the umpires shall satisfy themselves that

2.4.1 the wickets are properly pitched. See clause 8 (The wickets).

2.4.2 the creases are correctly marked. See clause 7 (The creases).

2.4.3 the boundary of the field of play complies with the requirements of clauses 19.1 (Determining the boundary of the field of play), 19.2 (Identifying and marking the boundary) and 19.3 (Restoring the boundary).

2.5 Conduct of the match, implements and equipment

Before the toss and during the match, the umpires shall satisfy themselves that

2.5.1 the conduct of the match is strictly in accordance with these Playing Conditions.

2.5.2 the implements used in the match conform to the following

2.5.2.1 clause 4 (The ball).

2.5.2.2 either clauses 8.2 (Size of stumps) and 8.3 (The bails).

2.5.3 the wicket-keeper's gloves comply with the requirements of clause 27.2 (Gloves).

2.6 Fair and unfair play

The umpires shall be the sole judges of fair and unfair play.

2.7 Fitness for play

2.7.1 Umpires shall be the sole judges of the fitness of the ground, weather and light for play from 30 minutes before the time fixed for the commencement of the match to the scheduled close of the match. If the Umpires disagree, **the decision of the Observer will be final and binding. In absence of observer the actual state of things shall remain.**

2.7.2 It is solely for the umpires together to decide whether either conditions of ground, weather or light or exceptional circumstances mean that it would be dangerous or unreasonable for play to take place. Conditions shall not be regarded as either dangerous or unreasonable merely because they are not ideal. The fact that the grass and the ball are wet does not warrant the ground conditions being regarded as unreasonable or dangerous.

2.7.3 Conditions shall be regarded as dangerous if there is actual and foreseeable risk to the safety of any player or umpire.

2.7.4 Conditions shall be regarded as unreasonable if, although posing no risk to safety, it would not be sensible for play to proceed.

2.7.5 If the umpires consider the ground is so wet or slippery as to deprive the bowler of a reasonable foothold, the fielders of the power of free movement, or the batsmen of the ability to play their strokes or to run between the wickets, then these conditions shall be regarded as so bad that it would be dangerous and unreasonable for play to take place.

2.8 Suspension of play in dangerous or unreasonable circumstances

2.8.1 All references to ground include the pitch. See clause 6.1 (Area of pitch).

2.8.2 If at any time the umpires together agree that the conditions of ground, weather or light, or any other circumstances are dangerous or unreasonable, they shall immediately suspend play, or not allow play to start or to recommence. The decision as to whether conditions are so bad as to warrant such action is one for the umpires alone to make.

2.8.3 The umpires shall disregard any shadow on the pitch from the stadium or from any permanent object on the ground.

2.8.4 When there is a suspension of play it is the responsibility of the umpires to monitor conditions. They shall make inspections as often as appropriate, unaccompanied by any players or officials. Immediately the umpires together agree that the conditions are no longer dangerous or unreasonable they shall call upon the players to resume play.

The Umpires and MCA match Observer must remember that in a Kanga League Match it is not always possible to get a near perfect fitness of the ground. Therefore it is always advisable to be proactive and make every effort to ensure that the play commences or recommences unless the conditions are definitely unplayable.

2.8.5 The safety of all persons within the ground is of paramount importance to the MCA. In the event that of any threatening circumstance, whether actual or perceived (including for example weather, pitch invasions, act of God, etc.), then the umpires, on the advice of the MCA match Observer, should suspend play and all players and officials should immediately be asked to leave the field of play in a safe and orderly manner and to relocate to a secure and safe area (depending on each particular threat) pending the satisfactory passing or resolution of such threat or risk to the reasonable satisfaction of the umpires, the MCA Match Observer.

2.8.6 Where play is suspended under clause 2.8.5 above the decision to abandon or resume play shall be the responsibility of the MCA Match Observer who shall act only after consultation with the MCA authorities over the phone.

2.9 Position of umpires

The umpires shall stand where they can best see any act upon which their decision may be required. Subject to this over-riding consideration, the bowler's end umpire shall stand in a position so as not to interfere with either the bowler's run-up or the striker's view.

The striker's end umpire may elect to stand on the off side instead of the on side of the pitch, provided he informs the captain of the fielding side, the striker and the other umpire.

2.10 Umpires changing ends

The umpires shall change ends after each side has had one completed innings. See clause 13.3 (Completed innings).

2.11 Disagreement and dispute

Where there is disagreement or dispute about any matter, the umpires together shall make the final decision. See also clause 31.6 (Consultation by umpires).

2.12 Umpire's decision

An umpire may alter any decision provided that such alteration is made promptly. This apart, an umpire's decision, once made, is final.

In addition Umpires shall be sole and final judges on all decisions arising on the point of facts during the match and shall be binding on both the teams. No complain or protest whatsoever shall be entertained against them from either side except in Captains confidential report. Strict disciplinary action shall be taken against the player and/or team misbehaving, threatening, swearing or manhandling either Umpire during or after the match.

2.13 Signals

2.13.1 The following code of signals shall be used by umpires.

However, the bowler's end umpire shall be responsible both for the final signal of Short run to the scorers and, if more than one run is short, for informing them as to the number of runs to be recorded.

2.13.2 The umpire shall wait until each signal to the scorers has been separately acknowledged by a scorer before allowing play to proceed.

If several signals are to be used, they should be given in the order that the events occurred.

2.14 Informing the umpires

Wherever the umpires are to receive information from captains or other players under these Playing Conditions, it will be sufficient for one umpire to be so informed and for him/her to inform the other umpire.

2.15 Correctness of scores

Consultation between umpires and scorers on doubtful points is essential. The umpires shall, throughout the match, satisfy themselves as to the correctness of the number of runs scored, the wickets that have fallen and, where appropriate, the number of overs bowled.

The minimum over rate to be achieved shall be 15 overs per hour.

The Over – rate shall be calculated.

- i. When batting side is all out.
- ii. When batting side declares an innings closed.
- iii. When the scheduled closing time is reached.
- iv. When result is obtained

The average over-rate in the entire innings shall be calculated by multiplying the actual playing time taken for completion of an innings expressed in hours by 15 or by dividing the actual playing time expressed in minutes by 4. Actual playing time' is the time from the call of 'play' by the umpire at the start of the match or at resumption after an interval or interruption till the call of 'time' at the end of innings or at start of an interval or interruption.

In all cases part of an over bowled is to be treated as complete over(rounded upward) for eg. 67.3 = 68.

Umpires are advised to take a practical view and, as an overriding principle, any time wastage that takes place and which is not the fault of the fielding side is to be allowed as a deduction.

Penalty for Slow Over-Rate:

If the match is abandoned or stopped before the scheduled time for close of play on the last day due to unfavourable weather or light conditions or any other reason, the penalty for that particular innings shall not be levied.

The Over-rate shall be assessed on 15 overs per hour.

The penalty for slow over-rate shall be runs obtained, by calculating TWICE THE RUNRATE of the batting side for that innings, per over bowled short. Only for purpose of calculating the penalty runs, twice the run-rate obtained in fractions up to 2 decimal places to be rounded to the nearest whole number and part of over bowled to be ignored.

If the side is all out or declares its innings within 30 overs or less, no penalty shall be levied.

The penalty runs for not maintaining the over-rate shall be shown separately in the extras column as in the case of no balls and wide balls and shall be added to the batting side's score at the end of the innings.

Following time allowances shall be given as deduction for the purpose of calculation of over-rate:

2 minutes per wicket taken provided that such wicket results in the subsequent batsmen immediately commencing his innings. For the avoidance of any doubt, no time allowance will be given for final wicket of an innings or where a wicket falls immediately prior to any interval or interruption.

4 minutes per drinks break taken (one per session)

Time lost during an innings for anything that is beyond the control of the fielding side, such as changing/retrieving the ball, injury to a player/umpire etc. Note: Any deduction to be given to the fielding side shall be only of such disruption/delay which is over 2 minutes duration. All time losses less than 2 minutes should be treated as part of the game.

**** The umpires must strictly apply laws on time wasting by batsmen and fieldsmen ****

- any object that is in contact with the ground beyond the boundary;
- another fielder who is grounded beyond the boundary.

19.5.2 A fielder who is not in contact with the ground is considered to be grounded beyond the boundary if his final contact with the ground, before his first contact with the ball after it has been delivered by the bowler, was not entirely within the boundary.

19.6 Boundary allowances

19.6.1 6 runs shall be allowed for a boundary 6; and 4 runs for a boundary 4. See also clause 19.7.

19.7 Runs scored from boundaries

19.7.1 A boundary 6 will be scored if and only if the ball has been struck by the bat and is first grounded beyond the boundary without having been in contact with the ground within the field of play. This shall apply even if the ball has previously touched a fielder.

19.7.2 A boundary 4 will be scored when a ball that is grounded beyond the boundary

- whether struck by the bat or not, was first grounded within the boundary, or
- has not been struck by the bat.

19.7.3 When a boundary is scored, the batting side, except in the circumstances of clause 19.8, shall be awarded whichever is the greater of

19.7.3.1 the allowance for the boundary

19.7.3.2 the runs completed by the batsmen together with the run in progress if they had already crossed at the instant the boundary is scored.

19.7.4 When the runs in clause 19.7.3.2 exceed the boundary allowance they shall replace the boundary allowance for the purposes of clause 18.12.2.

19.7.5 The scoring of Penalty runs by either side is not affected by the scoring of a boundary.

19.8 Overthrow or wilful act of fielder

If the boundary results from an overthrow or from the wilful act of a fielder, the runs scored shall be any runs for penalties awarded to either side and the allowance for the boundary and the runs completed by the batsmen, together with the run in progress if they had already crossed at the instant of the throw or act. Clause 18.12.2 (Batsman returning to wicket he has left) shall apply as from the instant of the throw or act.

20 DEAD BALL

20.1 Ball is dead

20.1.1 The ball becomes dead when

20.1.1.1 it is finally settled in the hands of the wicket-keeper or of the bowler.

20.1.1.2 a boundary is scored. See clause 19.7 (Runs scored from boundaries).

20.1.1.3 a batsman is dismissed. The ball will be deemed to be dead from the instant of the incident causing the dismissal.

20.1.1.4 whether played or not it becomes trapped between the bat and person of a batsman or between items of his clothing or equipment.

20.1.1.5 whether played or not it lodges in the clothing or equipment of a batsman or the clothing of an umpire.

20.1.1.6 there is an award of Penalty runs under either of clauses 24.4 (Player returning without permission) or 28.2

(Fielding the ball). The ball shall not count as one of the over.

20.1.1.7 there is a contravention of clause 28.3 (Protective helmets belonging to the fielding side).

20.1.1.8 the match is concluded in any of the ways stated in clause 12.6 (Conclusion of match).

20.1.2 The ball shall be considered to be dead when it is clear to the bowler's end umpire that the fielding side and both batsmen at the wicket have ceased to regard it as in play.

20.2 Ball finally settled

Whether the ball is finally settled or not is a matter for the umpire alone to decide.

20.3 Call of Over or Time

Neither the call of Over (see clause 17.4), nor the call of Time (see clause 12.2) is to be made until the ball is dead, either under clauses 20.1 or 20.4.

20.4 Umpire calling and signalling Dead ball

20.4.1 When the ball has become dead under clause 20.1, the bowler's end umpire may call and signal Dead ball if it is necessary to inform the players.

20.4.2 Either umpire shall call and signal Dead ball when

20.4.2.1 intervening in a case of unfair play.

20.4.2.2 a possibly serious injury to a player or umpire occurs.

20.4.2.3 leaving his/her normal position for consultation.

20.4.2.4 one or both bails fall from the striker's wicket before the striker has had the opportunity of playing the ball.

20.4.2.5 the striker is not ready for the delivery of the ball and, if the ball is delivered, makes no attempt to play it.

Provided the umpire is satisfied that the striker had adequate reason for not being ready, the ball shall not count as one of the over.

20.4.2.6 the striker is distracted by any noise or movement or in any other way while preparing to receive, or receiving a delivery. This shall apply whether the source of the distraction is within the match or outside it.

Note also clause 20.4.2.7. The ball shall not count as one of the over.

20.4.2.7 there is an instance of a deliberate attempt to distract under either of clauses 41.4 (Deliberate attempt to distract striker) or 41.5 (Deliberate distraction, deception or obstruction of batsman). The ball shall not count as one of the over.

20.4.2.8 the bowler drops the ball accidentally before delivery.

20.4.2.9 the ball does not leave the bowler's hand for any reason other than an attempt to run out the non-striker under clause 41.16 (Non-striker leaving his ground early).

20.4.2.10 satisfied that the ball in play cannot be recovered.

20.4.2.11 required to do so under any of the Playing Conditions not included above.

20.5 Ball ceases to be dead

The ball ceases to be dead – that is, it comes into play – when the bowler starts his run-up or, if there is no run-up, starts his bowling action.

20.6 Dead ball; ball counting as one of over

20.6.1 When a ball which has been delivered is called dead or is to be considered dead then, other than as in clause 20.6.2,

20.6.1.1 it will not count in the over if the striker has not had an opportunity to play it.

20.6.1.2 unless No ball or Wide ball has been called, it will be a valid ball if the striker has had an opportunity to play it, except in the circumstances of clauses 20.4.2.6 and 24.4 (Player returning without permission),

28.2 (Fielding the ball), 41.4 (Deliberate attempt to distract striker) and 41.5 (Deliberate distraction, deception or obstruction of batsman).

20.6.2 In clause 20.4.2.5, the ball will not count in the over only if both conditions of not attempting to play the ball and having an adequate reason for not being ready are met. Otherwise the delivery will be a valid ball.

21 NO BALL

21.1 Mode of delivery

21.1.1 The umpire shall ascertain whether the bowler intends to bowl right handed or left handed, over or round the wicket, and shall so inform the striker.

It is unfair if the bowler fails to notify the umpire of a change in his mode of delivery. In this case the umpire shall call and signal No ball.

21.1.2 Underarm bowling shall not be permitted.

21.2 Fair delivery – the arm

For a delivery to be fair in respect of the arm the ball must not be thrown

A ball is fairly delivered in respect of the arm if, once the bowlers arm reaches the level of the shoulder in the delivery swing, the elbow joint is not straightened partially or completely from that instant until the ball has left the hand. This definition shall not debar a bowler from flexing or rotating the wrist in the delivery swing.

Although it is the primary responsibility of the striker's end Umpire to assess the fairness of a delivery in this respect, there is nothing in this law to debar the bowlers end Umpire from calling and signalling No ball if he/she considers that the ball has been thrown

21.3 Ball thrown or delivered underarm – action by umpires

21.3.1 If, in the opinion of either umpire, the ball has been thrown (where such mode of delivery does not correspond to the bowler's normal bowling action) or delivered underarm, he/she shall call and signal No ball and, when the ball is dead, inform the other umpire of the reason for the call.

The bowler's end umpire shall then

- warn the bowler, indicating that this is a first and final warning. This warning shall apply to that bowler throughout the innings.
- inform the captain of the fielding side of the reason for this action.
- inform the batsmen at the wicket of what has occurred.

21.3.2 If either umpire considers that, in that innings, a further delivery by the same bowler is thrown (where such mode of delivery does not correspond to the bowler's normal bowling action) or delivered underarm, he/she shall call and signal No ball and when the ball is dead inform the other umpire of the reason for the call.

The bowler's end umpire shall then

- direct the captain of the fielding side to suspend the bowler immediately from bowling. The over shall, if applicable, be completed by another bowler, who shall neither have bowled the previous over or part thereof nor be allowed to bowl any part of the next over. The bowler thus suspended shall not bowl again in that innings.
- inform the batsmen at the wicket and, as soon as practicable, the captain of the batting side of the reason for this action.

21.3.3 The umpires together shall report the occurrence as soon as possible to MCA Observer, who shall take such action as is considered appropriate against the bowler concerned.

21.4 Bowler throwing towards striker's end before delivery

If the bowler throws the ball towards the striker's end before entering the delivery stride, either umpire shall call and signal No ball. See clause 41.17 (Batsmen stealing a run).

However, the procedure stated in clause 21.3 of caution, informing, final warning, action against the bowler and reporting shall not apply.

21.5 Fair delivery – the feet

For a delivery to be fair in respect of the feet, in the delivery stride

21.5.1 the bowler's back foot must land within and not touching the return crease appertaining to his stated mode of delivery.

21.5.2 the bowler's front foot must land with some part of the foot, whether grounded or raised

- on the same side of the imaginary line joining the two middle stumps as the return crease described in clause 21.5.1, and

- behind the popping crease.

If the bowler's end umpire is satisfied that any of these three conditions have not been met, he/she shall call and signal No ball. See clause 41.8 (Bowling of deliberate front foot No ball).

21.6 Bowler breaking wicket in delivering ball

Either umpire shall call and signal No ball if, other than in an attempt to run out the non-striker under clause 41.16, the bowler breaks the wicket at any time after the ball comes into play and before completion of the stride after the delivery stride. This shall include any clothing or other object that falls from his person and breaks the wicket.

21.7 Ball bouncing more than once, rolling along the ground or pitching off the pitch

The umpire shall call and signal No ball if a ball which he/she considers to have been delivered, without having previously touched bat or person of the striker,

- bounces more than once or rolls along the ground before it reaches the popping crease.

- or pitches wholly or partially off the pitch as defined in clause 6.1 (Area of pitch) before it reaches the line of the striker's wicket.

21.8 Ball coming to rest in front of striker's wicket

If a ball delivered by the bowler comes to rest in front of the line of the striker's wicket, without having previously touched the bat or person of the striker, the umpire shall call and signal No ball and immediately call and signal Dead ball.

21.9 Fielder intercepting a delivery

If, except in the circumstances of clause 27.3 (Position of wicket-keeper) a ball delivered by the bowler, makes contact with any part of a fielder's person before it either makes contact with the striker's bat or person, or it passes the striker's wicket, the umpire shall call and signal No ball and immediately call and signal Dead ball.

21.10 Ball bouncing over head height of striker

See clauses 22.1.1.2, 41.6.4 and 41.6.5.

21.11 Call of No ball for infringement of other Playing Conditions

In addition to the instances above, No ball is to be called and signalled as required by the following clauses:

Clause 27.3 – Position of wicket-keeper

Clause 28.4 – Limitation of on side fielders

Clause 28.5 – Fielders not to encroach on pitch

Clause 41.6 – Bowling of dangerous and unfair short pitched deliveries

Clause 41.7 – Bowling of dangerous and unfair non-pitching deliveries

Clause 41.8 – Bowling of deliberate front foot No ball.

21.12 Revoking a call of No ball

An umpire shall revoke the call of No ball if Dead ball is called under any of clauses 20.4.2.4 to 20.4.2.9 (Umpire calling and signaling Dead ball).

21.13 No ball to over-ride Wide

A call of No ball shall over-ride the call of Wide ball at any time. See clauses 22.1 (Judging a Wide) and 22.2 (Call and signal of Wide ball).

21.14 Ball not dead

The ball does not become dead on the call of No ball.

21.15 Penalty for a No ball

A penalty of one run shall be awarded instantly on the call of No ball. Unless the call is revoked, the penalty shall stand even if a batsman is dismissed. It shall be in addition to any other runs scored, any boundary allowance and any other runs awarded for penalties.

21.16 Runs resulting from a No ball – how scored

The one run penalty shall be scored as a No ball extra and shall be debited against the bowler. If other Penalty runs have been awarded to either side these shall be scored as stated in clause 41.18 (Penalty runs). Any runs completed by the batsmen or any boundary allowance shall be credited to the striker if the ball has been struck by the bat; otherwise they shall also be scored as Byes or Leg byes as appropriate.

21.17 No ball not to count

A No ball shall not count as one of the over. See clause 17.3 (Validity of balls).

21.18 Out from a No ball

When No ball has been called, neither batsman shall be out under any of the Playing Conditions except clause 34 (Hit the ball twice), clause 37 (Obstructing the field) or clause 38 (Run out).

22 WIDE BALL

22.1 Judging a Wide

22.1.1 If the bowler bowls a ball, not being a No ball, the umpire shall adjudge it a Wide if, according to the definition in clause 22.1.2

22.1.1.1 the ball passes wide of where the striker is standing and which also would have passed wide of the striker standing in a normal guard position.

22.1.1.2 the ball passes above the head height of the striker standing upright at the popping crease.

22.1.2 The ball will be considered as passing wide of the striker unless it is sufficiently within reach for him to be able to hit it with the bat by means of a normal cricket stroke.

22.1.3 For bowlers attempting to utilise the rough outside a batsman's leg stump, not necessarily as a negative tactic, the strict limited over Wide interpretation shall be applied.

22.1.4 For bowlers whom umpires consider to be bowling down the leg side as a negative tactic, the strict limited over Wide interpretation shall be applied.

22.2 Call and signal of Wide ball

If the umpire adjudges a delivery to be a Wide he/she shall call and signal Wide ball as soon as the ball passes the striker's wicket. It shall, however, be considered to have been a Wide from the instant that the bowler entered his delivery stride, even though it cannot be called Wide until it passes the striker's wicket.

22.3 Revoking a call of Wide ball

22.3.1 The umpire shall revoke the call of Wide ball if there is then any contact between the ball and the striker's bat or person before the ball comes into contact with any fielder.

22.3.2 The umpire shall revoke the call of Wide ball if a delivery is called a No ball. See clause 21.13 (No ball to over-ride Wide).

22.4 Delivery not a Wide

22.4.1 The umpire shall not adjudge a delivery as being a Wide, if the striker, by moving, either causes the ball to pass wide of him, as defined in clause 22.1.2 or brings the ball sufficiently within reach to be able to hit it by means of a normal cricket stroke.

22.4.2 The umpire shall not adjudge a delivery as being a Wide if the ball touches the striker's bat or person, but only as the ball passes the striker.

22.5 Ball not dead

The ball does not become dead on the call of Wide ball.

22.6 Penalty for a Wide

A penalty of one run shall be awarded instantly on the call of Wide ball. Unless the call is revoked, see clause 22.3, this penalty shall stand even if a batsman is dismissed, and shall be in addition to any other runs scored, any boundary allowance and any other runs awarded for penalties.

22.7 Runs resulting from a Wide – how scored

All runs completed by the batsmen or a boundary allowance, together with the penalty for the Wide, shall be scored as Wide balls. Apart from any award of 5 Penalty runs, all runs resulting from a Wide shall be debited against the bowler.

22.8 Wide not to count

A Wide shall not count as one of the over. See clause 17.3 (Validity of balls).

22.9 Out from a Wide

When Wide ball has been called, neither batsman shall be out under any of the Playing Conditions except clause 35 (Hit wicket), clause 37 (Obstructing the field), clause 38 (Run out) or clause 39 (Stumped).

23 BYE AND LEG BYE

23.1 Byes

If the ball, delivered by the bowler, not being a Wide, passes the striker without touching his bat or person, any runs completed by the batsmen from that delivery, or a boundary allowance, shall be credited as Byes to the batting side.

Additionally, if the delivery is a No ball, the one run penalty for such a delivery shall be incurred.

23.2 Leg byes

23.2.1 If a ball delivered by the bowler first strikes the person of the striker, runs shall be scored only if the umpire is satisfied that the striker has either attempted to play the ball with the bat; or tried to avoid being hit by the ball.

23.2.2 If the umpire is satisfied that either of these conditions has been met runs shall be scored as follows.

23.2.2.1 If there is either no subsequent contact with the striker's bat or person, or only inadvertent contact with the striker's bat or person, any runs completed by the batsmen or a boundary allowance shall be credited to the striker in the case of subsequent contact with his bat but otherwise to the batting side as in clause 23.2.3.

23.2.2.2 If the striker wilfully makes a lawful second strike, clause 34.3 (Ball lawfully struck more than once) and clause 34.4 (Runs permitted from ball lawfully struck more than once) shall apply.

23.2.3 The runs in clause 23.2.2.1, unless credited to the striker, shall be scored as Leg byes.

Additionally, if the delivery is a No ball, the one run penalty for the No ball shall be incurred.

23.3 Leg byes not to be awarded

If in the circumstance of clause 23.2.1 the umpire considers that neither of the conditions therein has been met, then Leg byes shall not be awarded.

If the ball does not become dead for any other reason, the umpire shall call and signal Dead ball as soon as the ball reaches the boundary or at the completion of the first run.

The umpire shall then:

- disallow all runs to the batting side;
- return any not out batsman to his original end;
- signal No ball to the scorers if applicable;
- award any 5-run Penalty that is applicable except for Penalty runs under clause 28.3 (Protective helmets belonging to the fielding side).

24 FIELDER'S ABSENCE; SUBSTITUTES

24.1 Substitute fielders

24.1.1 The umpires shall allow a substitute fielder

24.1.1.1 if they are satisfied that a fielder has been injured or become ill and that this occurred during the match, or

24.1.1.2 for any other wholly acceptable reason.

In all other circumstances, a substitute is not allowed.

24.1.2 A substitute shall not bowl or act as captain but may act as wicket-keeper only with the consent of the umpires.

24.1.3 A nominated player may bowl or field even though a substitute has previously acted for him, subject to clauses 24.2 and 24.3.

24.2 Fielder absent or leaving the field of play

24.2.1 A player going briefly outside the boundary while carrying out any duties as a fielder is not absent from the field of play nor, for the purposes of this clause, is he to be regarded as having left the field of play.

24.2.2 If a fielder fails to take the field at the start of play or at any later time, or leaves the field during play,

24.2.2.1 an umpire shall be informed of the reason for this absence.

24.2.2.2 he shall not thereafter come on to the field of play during a session of play without the consent of the umpire. See clause 24.4. The umpire shall give such consent as soon as it is practicable.

24.2.3 If a player is absent from the field for longer than 8 minutes, the following restrictions shall apply to their future participation in the match:

24.2.3.1 The player shall not be permitted to bowl in the match until he has either been able to field, or his team has subsequently been batting, for the total length of playing time for which the player was absent (hereafter referred to as Penalty time). A player's unexpired Penalty time shall be limited to a maximum of 120 minutes. If any unexpired Penalty time remains at the end of an innings, it is carried forward to the next and subsequent innings of the match.

24.2.3.2 The player shall not be permitted to bat in the match until his team's batting innings has been in progress for the length of playing time that is equal to the unexpired Penalty time carried forward from the previous innings. However, once his side has lost five wickets in its batting innings, he may bat immediately. If any unexpired penalty time remains at the end of that batting innings, it is carried forward to the next and subsequent innings of the match.

24.2.4 If the player leaves the field before having served all of his Penalty time, the balance is carried forward as unserved Penalty time.

24.2.5 On any occasion of absence, the amount of playing time for which the player is off the field shall be added to any Penalty time that remains unserved, subject to a maximum cumulative Penalty time of 120 minutes, and that player shall not bowl until all of his Penalty time has been served.

24.2.6 For the purposes of clauses 24.2.3.1 and 24.2.3.2, playing time shall comprise the time play is in progress excluding lunch and tea intervals, intervals between innings and official drinks intervals. For clarity, a player's Penalty time will continue to expire after he is dismissed, for the remainder of his team's batting innings.

24.2.7 If there is an unscheduled break in play, the stoppage time shall count as Penalty time served, provided that,

24.2.7.1 the fielder who was on the field of play at the start of the break either takes the field on the resumption of play, or his side is now batting.

24.2.7.2 the fielder who was already off the field at the start of the break notifies an umpire in person as soon as he is able to participate, and either takes the field on the resumption of play, or his side is now batting. Stoppage time before an umpire has been so notified shall not count towards unserved Penalty time.

24.2.8 Any unserved Penalty time shall be carried forward into the next and subsequent days and innings of the match, as applicable.

24.3 Penalty time not incurred

A nominated player's absence will not incur Penalty time if,

24.3.1 he has suffered an external blow during the match and, as a result, has justifiably left the field or is unable to take the field.

24.3.2 in the opinion of the umpires, the player has been absent or has left the field for other wholly acceptable reasons, which shall not include illness or internal injury.

24.3.3 the player is absent from the field for a period of 8 minutes or less.

24.4 Player returning without permission

If a player comes on to the field of play in contravention of clause 24.2.2 and comes into contact with the ball while it is in play, the ball shall immediately become dead.

- The umpire shall award 5 Penalty runs to the batting side.
- Runs completed by the batsmen shall be scored together with the run in progress if they had already crossed at the instant of the offence.
- The ball shall not count as one of the over.

- The umpire shall inform the other umpire, the captain of the fielding side, the batsmen and, as soon as practicable, the captain of the batting side of the reason for this action.

25 BATSMAN'S INNINGS

25.1 Eligibility to act as a batsman

Only a nominated player may bat and, subject to clause 25.3, may do so even though a substitute fielder has previously acted for him.

25.2 Commencement of a batsman's innings

The innings of the first two batsmen, and that of any new batsman on the resumption of play after a call of Time, shall commence at the call of Play. At any other time, a batsman's innings shall be considered to have commenced when that batsman first steps onto the field of play.

25.3 Restriction on batsman commencing an innings

25.3.1 If a member of the batting side has unserved Penalty time (see clause 24.2.7) that player shall not be permitted to bat until that Penalty time has been served. However, even if the unserved Penalty time has not expired, that player may bat after his side has lost 5 wickets.

25.3.2 A member of the batting side's Penalty time is served during Playing time. In the event of an unscheduled stoppage, the stoppage time after the batsman notifies an umpire in person that he is able to participate shall count as Penalty time served.

25.3.3 If any unserved Penalty time remains at the end of a team's innings, it shall be carried forward to the next and subsequent innings of the match if appropriate.

25.4 Batsman retiring

25.4.1 A batsman may retire at any time during his innings when the ball is dead. The umpires, before allowing play to proceed, shall be informed of the reason for a batsman retiring.

25.4.2 If a batsman retires because of illness, injury or any other unavoidable cause, that batsman is entitled to resume his innings. If for any reason this does not happen, that batsman is to be recorded as 'Retired – not out'.

25.4.3 If a batsman retires for any reason other than as in clause 25.4.2, the innings of that batsman may be resumed only with the consent of the opposing captain. If for any reason his innings is not resumed, that batsman is to be recorded as 'Retired - out'.

25.4.4 If after retiring a batsman resumes his innings, subject to the requirements of clauses 25.4.2 and 25.4.3, it shall be only at the fall of a wicket or the retirement of another batsman.

25.5 Runners

Runners shall not be permitted.

26 PRACTICE ON THE FIELD

26.1 Practice on the pitch or the rest of the square

26.1.1 There shall not be any practice on the pitch at any time on any day of the match.

26.1.2 There shall not be any practice on the rest of the square at any time on any day of the match, except with the approval of the umpires.

26.2 Practice on the outfield

26.2.1 On any day of the match, all forms of practice are permitted on the outfield

- before the start of play;
 - after the close of play; and
 - during the lunch and tea intervals or between innings,
- providing the umpires are satisfied that such practice will not cause significant deterioration in the condition of the outfield.

26.2.2 Between the call of Play and the call of Time, practice shall be permitted on the outfield, providing that all of the following conditions are met:

- only the fielders (**as defined in paragraph 7 of Appendix A**) participate in such practice.
- no ball other than the match ball is used for this practice.
- no bowling practice takes place in the area between the square and the boundary in a direction parallel to the match pitch.
- the umpires are satisfied that it will not contravene either of clauses 41.3 (The match ball changing its condition) or 41.9 (Time wasting by the fielding side).

Bowling a ball, using a short run up to a player in the outfield is not to be regarded as bowling practice but shall be subject to the other conditions in this clause.

26.3 Trial run-up

A bowler is permitted to have a trial run-up provided the umpire is satisfied that it will not contravene either of clauses 41.9 (Time wasting by the fielding side) or 41.12 (Fielder damaging the pitch).

26.4 Penalties for contravention

All forms of practice are subject to the provisions of clauses 41.13 (The match ball – changing its condition), 41.9 (Time wasting by the fielding side) and 41.12 (Fielder damaging the pitch).

26.4.1 If there is a contravention of any of the provisions of clause 26.1 or 26.2, the umpire shall

- warn the player that the practice is not permitted;
- inform the other umpire and, as soon as practicable, both captains of the reason for this action.

26.4.1.1 If the contravention is by a batsman at the wicket, the umpire shall inform the other batsman and each incoming batsman that the warning has been issued. The warning shall apply to the team of that player throughout the match.

26.4.2 If during the match there is any further contravention by any player of that team, the umpire shall

- award 5 Penalty runs to the opposing side;
- inform the other umpire, the scorers and, as soon as practicable, both captains, and, if the contravention is during play, the batsmen at the wicket.

27 THE WICKET-KEEPER

27.1 Protective equipment

The wicket-keeper is the only fielder permitted to wear gloves and external leg guards. If these are worn, they are to be regarded as part of his person for the purposes of clause 28.2 (Fielding the ball). If by the wicket-keeper's actions and positioning when the ball comes into play it is apparent to the umpires that he will not be able to carry out the normal duties of a wicket-keeper, he shall forfeit this right and also the right to be recognised as a wicket-keeper for the purposes of clauses 33.2 (A fair catch), 39 (Stumped), 28.1 (Protective equipment), 28.4 (Limitation of on-side fielders) and 28.5 (Fielders not to encroach on pitch).

27.2 Gloves

27.2.1 If, as permitted under clause 27.1, the wicket-keeper wears gloves, they shall have no webbing between the fingers except joining index finger and thumb, where webbing may be inserted as a means of support.

27.2.2 If used, the webbing shall be a single piece of non-stretch material which, although it may have facing material attached, shall have no reinforcements or tucks.

27.2.3 The top edge of the webbing shall not protrude beyond the straight line joining the top of the index finger to the top of the thumb and shall be taut when a hand wearing the glove has the thumb fully extended. **See paragraph 3 of Appendix B.**

27.3 Position of wicket-keeper

27.3.1 The wicket-keeper shall remain wholly behind the wicket at the striker's end from the moment the ball comes into play until a ball delivered by the bowler:

touches the bat or person of the striker; or

passes the wicket at the striker's end; or

the striker attempts a run.

27.3.2 In the event of the wicket-keeper contravening this clause, the striker's end umpire shall call and signal No ball as soon as applicable after the delivery of the ball.

27.4 Movement by wicket-keeper

27.4.1 After the ball comes into play and before it reaches the striker, it is unfair if the wicket-keeper significantly alters his position in relation to the striker's wicket, except for the following:

27.4.1.1 movement of a few paces forward for a slower delivery, unless in so doing it brings him within reach of the wicket.

27.4.1.2 lateral movement in response to the direction in which the ball has been delivered.

27.4.1.3 movement in response to the stroke that the striker is playing or that his actions suggest he intends to play. However the provisions of clause 27.3 shall apply.

27.4.2 In the event of unfair movement by the wicket-keeper, either umpire shall call and signal Dead ball.

27.5 Restriction on actions of wicket-keeper

If, in the opinion of either umpire, the wicket-keeper interferes with the striker's right to play the ball and to guard his wicket, clause 20.4.2.6 (Umpire calling and signalling Dead ball) shall apply.

If, however, either umpire considers that the interference by the wicket-keeper was wilful, then clause 41.4 (Deliberate attempt to distract striker) shall also apply.

27.6 Interference with wicket-keeper by striker

If, in playing at the ball or in the legitimate defence of his wicket, the striker interferes with the wicket-keeper, he shall not be out except as provided for in clause 37.3 (Obstructing a ball from being caught).

28 THE FIELDER

28.1 Protective equipment

No fielder other than the wicket-keeper shall be permitted to wear gloves or external leg guards. In addition, protection for the hand or fingers may be worn only with the consent of the umpires.

28.2 Fielding the ball

28.2.1 A fielder may field the ball with any part of his person (see paragraph 12 of Appendix A), except as in clause 28.2.1.2. However, he will be deemed to have fielded the ball illegally if, while the ball is in play he wilfully:

28.2.1.1 uses anything other than part of his person to field the ball.

28.2.1.2 extends his clothing with his hands and uses this to field the ball.

28.2.1.3 discards a piece of clothing, equipment or any other object which subsequently makes contact with the ball.

28.2.2 It is not illegal fielding if the ball in play makes contact with a piece of clothing, equipment or any other object which has accidentally fallen from the fielder's person.

28.2.3 If a fielder illegally fields the ball, the ball shall immediately become dead and

- the penalty for a No ball or a Wide shall stand.
- any runs completed by the batsmen shall be credited to the batting side, together with the run in progress if the batsmen had already crossed at the instant of the offence.
- the ball shall not count as one of the over.

In addition the umpire shall:

- award 5 Penalty runs to the batting side.
- inform the other umpire and the captain of the fielding side of the reason for this action.
- inform the batsmen and, as soon as practicable, the captain of the batting side of what has occurred.

28.3 Protective helmets belonging to the fielding side

28.3.1 Protective helmets, when not in use by fielders, may not be placed on the ground, above the surface except behind the wicket-keeper and in line with both sets of stumps.

28.3.2 If the ball while in play strikes a helmet, placed as described in clause 28.3.1,

28.3.2.1 the ball shall become dead and, subject to clause 28.3.3,

28.3.2.2 an award of 5 Penalty runs shall be made to the batting side;

28.3.2.3 any runs completed by the batsmen before the ball strikes the protective helmet shall be scored, together with the run in progress if the batsmen had already crossed at the instant of the ball striking the protective helmet.

28.3.3 If the ball while in play strikes a helmet, placed as described in clause 28.3.1, unless the circumstances of clause 23.3 (Leg byes not to be awarded) or clause 34 (Hit the ball twice), apply, the umpire shall:

- permit the batsmen's runs as in clause 28.3.2.3 to be scored
- signal No ball or Wide ball to the scorers if applicable
- award 5 Penalty runs as in clause 28.3.2.2
- award any other Penalty runs due to the batting side.

28.3.4 If the ball while in play strikes a helmet, placed as described in clause 28.3.1, and the circumstances of clause 23.3 (Leg byes not to be awarded) or clause 34 (Hit the ball twice) apply, the umpire shall:

- disallow all runs to the batting side
- return any not out batsman to his original end
- signal No ball or Wide ball to the scorers if applicable
- award any 5-run Penalty that is applicable except for Penalty runs under clause 28.3.2.

28.4 Limitation of on side fielders

At the instant of the bowler's delivery there shall not be more than two fielders, other than the wicket-keeper, behind the popping crease on the on side. A fielder will be considered to be behind the popping crease unless the whole of his person whether grounded or in the air is in front of this line.

In the event of infringement of this clause by any fielder, the striker's end umpire shall call and signal No ball.

28.5 Fielders not to encroach on pitch

While the ball is in play and until the ball has made contact with the striker's bat or person, or has passed the striker's bat, no fielder, other than the bowler, may have any part of his person grounded on or extended over the pitch.

In the event of infringement of this clause by any fielder other than the wicket-keeper, the bowler's end umpire shall call and signal No ball as soon as possible after delivery of the ball. Note, however, clause 27.3 (Position of wicketkeeper).

28.6 Movement by any fielder other than the wicket-keeper

28.6.1 Any movement by any fielder, excluding the wicket-keeper, after the ball comes into play and before the ball reaches the striker, is unfair except for the following:

28.6.1.1 minor adjustments to stance or position in relation to the striker's wicket.

28.6.1.2 movement by any fielder, other than a close fielder, towards the striker or the striker's wicket that does not significantly alter the position of the fielder.

28.6.1.3 movement by any fielder in response to the stroke that the striker is playing or that his actions suggest he intends to play.

28.6.2 In all circumstances clause 28.4 (Limitation of on side fielders) shall apply.

28.6.3 In the event of such unfair movement, either umpire shall call and signal Dead ball.

28.6.4 Note also the provisions of clause 41.4 (Deliberate attempt to distract striker). See also clause 27.4

(Movement by wicket-keeper).

29 THE WICKET IS DOWN

29.1 Wicket put down

29.1.1 The wicket is put down if a bail is completely removed from the top of the stumps, or a stump is struck out of the ground,

29.1.1.1 by the ball,

29.1.1.2 by the striker's bat if held or by any part of the bat that he is holding,

29.1.1.3 for the purpose of this clause only, by the striker's bat not in hand, or by any part of the bat which has become detached,

29.1.1.4 by the striker's person or by any part of his clothing or equipment becoming detached from his person,

29.1.1.5 by a fielder with his hand or arm, providing that the ball is held in the hand or hands so used, or in the hand of the arm so used.

29.1.1.6 The wicket is also put down if a fielder strikes or pulls a stump out of the ground in the same manner.

29.1.2 The disturbance of a bail, whether temporary or not, shall not constitute its complete removal from the top of the stumps, but if a bail in falling lodges between two of the stumps this shall be regarded as complete removal.

29.2 One bail off

If one bail is off, it shall be sufficient for the purpose of putting the wicket down to remove the remaining bail or to strike or pull any of the three stumps out of the ground, in any of the ways stated in clause 29.1.

29.3 Remaking wicket

If a wicket is broken or put down while the ball is in play, it shall not be remade by an umpire until the ball is dead. See clause 20 (Dead ball). Any fielder may, however, while the ball is in play,

- replace a bail or bails on top of the stumps.
- put back one or more stumps into the ground where the wicket originally stood.

29.4 Dispensing with bails

If the umpires have agreed to dispense with bails in accordance with clause 8.4 (Dispensing with bails), it is for the umpire concerned to decide whether or not the wicket has been put down.

29.4.1 After a decision to play without bails, the wicket has been put down if the umpire concerned is satisfied that

the wicket has been struck by the ball, by the striker's bat, person or items of his clothing or equipment as

described in clauses 29.1.1.2, 29.1.1.3 or 29.1.1.4, or by a fielder in the manner described in clause 29.1.1.5.

29.4.2 If the wicket has already been broken or put down, clause 29.4.1 shall apply to any stump or stumps still in the ground. Any fielder may replace a stump or stumps, in accordance with clause 29.3, in order to have an opportunity of putting the wicket down.

30 BATSMAN OUT OF HIS GROUND

30.1 When out of his ground

30.1.1 A batsman shall be considered to be out of his ground unless some part of his person or bat is grounded behind the popping crease at that end.

30.1.2 However, a batsman shall not be considered to be out of his ground if, in running or diving towards his ground and beyond, and having grounded some part of his person or bat beyond the popping crease, there is subsequent loss of contact:

between the ground and any part of his person or bat; or

between the bat and person,

provided that the batsman has continued movement in the same direction.

30.2 Which is a batsman's ground

30.2.1 If only one batsman is within a ground, it is his ground and will remain so even if he is later joined there by the other batsman.

30.2.2 If both batsmen are in the same ground and one of them subsequently leaves it, the ground belongs to the batsman who remains in it.

30.2.3 If there is no batsman in either ground, then each ground belongs to whichever batsman is nearer to it, or, if the batsmen are level, to whichever batsman was nearer to it immediately prior to their drawing level.

30.2.4 If a ground belongs to one batsman then the other ground belongs to the other batsman, irrespective of his position.

30.3 Position of non-striker

The non-striker, when standing at the bowler's end, should be positioned on the opposite side of the wicket to that from which the ball is being delivered, unless a request to do otherwise is granted by the umpire.

31 APPEALS

31.1 Umpire not to give batsman out without an appeal

Neither umpire shall give a batsman out, even though he may be out under these Playing Conditions, unless appealed to by a fielder. This shall not debar a batsman who is out under these Playing Conditions from leaving the wicket without an appeal having been made. Note, however, the provisions of clause 31.7.

31.2 Batsman dismissed

A batsman is dismissed if he is either given out by an umpire, on appeal or out under these Playing Conditions and leaves the wicket as in clause 31.1.

31.3 Timing of appeals

For an appeal to be valid, it must be made before the bowler begins his run-up or, if there is no run-up, his bowling action to deliver the next ball, and before Time has been called.

The call of Over does not invalidate an appeal made prior to the start of the following over, provided Time has not been called. See clauses 12.2 (Call of Time) and 17.2 (Start of an over).

31.4 Appeal "How's That?"

An appeal "How's That?" covers all ways of being out.

31.5 Answering appeals

The striker's end umpire shall answer all appeals arising out of any of clauses 35 (Hit wicket), 39 (Stumped) or 38 (Run out) when this occurs at the wicket-keeper's end. The bowler's end umpire shall answer all other appeals.

When an appeal is made, each umpire shall answer on any matter that falls within his jurisdiction.

When a batsman has been given Not out, either umpire may answer an appeal, made in accordance with clause 31.3, if it is on a further matter and is within his jurisdiction.

31.6 Consultation by umpires

Each umpire shall answer appeals on matters within his own jurisdiction. If an umpire is doubtful about any point that the other umpire may have been in a better position to see, he/she shall consult the latter on this point of fact and shall then give the decision. If, after consultation, there is still doubt remaining, the decision shall be Not out.

31.7 Batsman leaving the wicket under a misapprehension

An umpire shall intervene if satisfied that a batsman, not having been given out, has left the wicket under a misapprehension of being out. The umpire intervening shall call and signal Dead ball to prevent any further action by the fielding side and shall recall the batsman.

A batsman may be recalled at any time up to the instant when the ball comes into play for the next delivery, unless it is the final wicket of the innings, in which case it should be up to the instant when the umpires leave the field.

31.8 Withdrawal of an appeal

The captain of the fielding side may withdraw an appeal only after obtaining the consent of the umpire within whose jurisdiction the appeal falls. If such consent is given, the umpire concerned shall, if applicable, revoke the decision and recall the batsman.

The withdrawal of an appeal must be before the instant when the ball comes into play for the next delivery or, if the innings has been completed, the instant when the umpires leave the field.

32 BOWLED

32.1 Out Bowled

32.1.1 The striker is out Bowled if his wicket is put down by a ball delivered by the bowler, not being a No ball, even if it first touches the striker's bat or person.

32.1.2 However, the striker shall not be out Bowled if before striking the wicket the ball has been in contact with any other player or an umpire. The striker will, however, be subject to clauses 37 (Obstructing the field), 38 (Run out) and 39 (Stumped).

32.2 Bowled to take precedence

The striker is out Bowled if his wicket is put down as in clause 32.1, even though a decision against him for any other method of dismissal would be justified.

33 CAUGHT

33.1 Out Caught

The striker is out Caught if a ball delivered by the bowler, not being a No ball, touches his bat without having previously been in contact with any fielder, and is subsequently held by a fielder as a fair catch, as described in clauses 33.2 and 33.3, before it touches the ground.

33.2 A fair catch

33.2.1 A catch will be fair only if, in every case

either the ball, at any time

or any fielder in contact with the ball,

is not grounded beyond the boundary before the catch is completed. Note clauses 19.4 (Ball grounded beyond the boundary) and 19.5 (Fielder grounded beyond the boundary).

33.2.2 Furthermore, a catch will be fair if any of the following conditions applies:

33.2.2.1 the ball is held in the hand or hands of a fielder, even if the hand holding the ball is touching the ground, or is hugged to the body, or lodges in the external protective equipment worn by a fielder, or lodges accidentally in a fielder's clothing.

33.2.2.2 a fielder catches the ball after it has been lawfully struck more than once by the striker, but only if it has not been grounded since it was first struck. See clause 34 (Hit the ball twice).

33.2.2.3 a fielder catches the ball after it has touched the wicket, an umpire, another fielder or the other batsman.

33.2.2.4 a fielder catches the ball after it has crossed the boundary in the air, provided that the conditions in clause

33.2.1 are met.

33.2.2.5 the ball is caught off an obstruction within the boundary that is not designated a boundary by the umpires.

33.3 Making a catch

The act of making a catch shall start from the time when the ball first comes into contact with a fielder's person and shall end when a fielder obtains complete control over both the ball and his own movement.

33.4 No runs to be scored

If the striker is dismissed Caught, runs from that delivery completed by the batsmen before the completion of the catch shall not be scored but any runs for penalties awarded to either side shall stand. Clause 18.11.1 (Batsman returning to original end) shall apply from the instant of the completion of the catch.

33.5 Caught to take precedence

If the criteria of clause 33.1 are met and the striker is not out Bowled, then he is out Caught, even though a decision against either batsman for another method of dismissal would be justified.

34 HIT THE BALL TWICE

34.1 Out Hit the ball twice

34.1.1 The striker is out Hit the ball twice if, while the ball is in play, it strikes any part of his person or is struck by his bat and, before the ball has been touched by a fielder, the striker wilfully strikes it again with his bat or person, other than a hand not holding the bat, except for the sole purpose of guarding his wicket. See clause 34.3 and clause 37 (Obstructing the field).

34.1.2 For the purpose of this clause 'struck' or 'strike' shall include contact with the person of the striker.

34.2 Not out Hit the ball twice

The striker will not be out under this clause if he:

34.2.1 strikes the ball a second or subsequent time in order to return the ball to any fielder.

Note, however, the provisions of clause 37.4 (Returning the ball to a fielder).

34.2.2 wilfully strikes the ball after it has touched a fielder. Note, however the provisions of clause 37.1 (Out Obstructing the field).

34.3 Ball lawfully struck more than once

The striker may, solely in order to guard his wicket and before the ball has been touched by a fielder, lawfully strike the ball a second or subsequent time with the bat, or with any part of his person other than a hand not holding the bat.

However, the striker may not prevent the ball from being caught by striking the ball more than once in defence of his wicket. See clause 37.3 (Obstructing a ball from being caught).

34.4 Runs permitted from ball lawfully struck more than once

When the ball is lawfully struck more than once, as permitted in clause 34.3, if the ball does not become dead for any reason, the umpire shall call and signal Dead ball as soon as the ball reaches the boundary or at the completion of the first run. However, the umpire shall delay the call of Dead ball to allow the opportunity for a catch to be completed.

The umpire shall

- disallow all runs to the batting side;
- return any not out batsman to his original end;
- signal No ball to the scorers if applicable; and
- award any 5-run Penalty that is applicable except for Penalty runs under clause 28.3 (Protective helmets belonging to the fielding side).

34.5 Bowler does not get credit

The bowler does not get credit for the wicket.

35 HIT WICKET

35.1 Out Hit wicket

35.1.1 The striker is out Hit wicket if, after the bowler has entered the delivery stride and while the ball is in play, his wicket is put down by either the striker's bat or person as described in clauses 29.1.1.2 to 29.1.1.4 (Wicket put down) in any of the following circumstances:

35.1.1.1 in the course of any action taken by him in preparing to receive or in receiving a delivery,

35.1.1.2 in setting off for the first run immediately after playing or playing at the ball,

35.1.1.3 if no attempt is made to play the ball, in setting off for the first run, providing that in the opinion of the umpire this is immediately after the striker has had the opportunity of playing the ball,

35.1.1.4 in lawfully making a second or further stroke for the purpose of guarding his wicket within the provisions of clause 34.3 (Ball lawfully struck more than once).

35.1.2 If the striker puts his wicket down in any of the ways described in clauses 29.1.1.2 to 29.1.1.4 before the bowler has entered the delivery stride, either umpire shall call and signal Dead ball.

35.2 Not out Hit wicket

The striker is not out under this clause should his wicket be put down in any of the ways referred to in clause 35.1 if any of the following applies:

- it occurs after the striker has completed any action in receiving the delivery, other than in clauses 35.1.1.2 to 35.1.1.4.
- it occurs when the striker is in the act of running, other than setting off immediately for the first run.
- it occurs when the striker is trying to avoid being run out or stumped.
- it occurs when the striker is trying to avoid a throw in at any time.
- the bowler after entering the delivery stride does not deliver the ball. In this case either umpire shall immediately call and signal Dead ball. See clause 20.4 (Umpire calling and signalling Dead ball).
- the delivery is a No ball.

36 LEG BEFORE WICKET

36.1 Out LBW

The striker is out LBW if all the circumstances set out in clauses 36.1.1 to 36.1.5 apply:

36.1.1 The bowler delivers a ball, not being a No ball

36.1.2 the ball, if it is not intercepted full-pitch, pitches in line between wicket and wicket or on the off side of the striker's wicket

36.1.3 the ball not having previously touched his bat, the striker intercepts the ball, either full-pitch or after pitching, with any part of his person

36.1.4 the point of impact, even if above the level of the bails, either is between wicket and wicket or if the striker has made no genuine attempt to play the ball with the bat, is between wicket and wicket or outside the line of the off stump.

36.1.5 but for the interception, the ball would have hit the wicket.

36.2 Interception of the ball

36.2.1 In assessing points of impact in clauses 36.1.3, 36.1.4 and 36.1.5, only the first interception is to be considered.

36.2.2 In assessing 36.1.3, if the bowler's end umpire is not satisfied that the ball intercepted the batsman's person before it touched the bat, the batsman shall be given Not out.

36.2.3 In assessing clause 36.1.5, it is to be assumed that the path of the ball before interception would have continued after interception, irrespective of whether the ball might have pitched subsequently or not.

36.3 Off side of wicket

The off side of the striker's wicket shall be determined by the striker's stance at the moment the ball comes into play for that delivery. **See paragraph 13 of Appendix A.**

37 OBSTRUCTING THE FIELD

37.1 Out Obstructing the field

37.1.1 Either batsman is out Obstructing the field if, except in the circumstances of clause 37.2, and while the ball is in play, he wilfully attempts to obstruct or distract the fielding side by word or action. See also clause 34 (Hit the ball twice).

37.1.2 The striker is out Obstructing the field if, except in the circumstances of clause 37.2, in the act of receiving a ball delivered by the bowler, he wilfully strikes the ball with a hand not holding the bat. This will apply whether it is the first strike or a second or subsequent strike. The act of receiving the ball shall extend both to playing at the ball and to striking the ball more than once in defence of his wicket.

37.1.3 This clause will apply whether or not No ball is called.

37.1.4 For the avoidance of doubt, if an umpire feels that a batsman, in running between the wickets, has significantly changed his direction without probable cause and thereby obstructed a fielder's attempt to effect a run out, the batsman should, on appeal, be given out, obstructing the field. It shall not be relevant whether a run out would have occurred or not.

If the change of direction involves the batsman crossing the pitch, clause 41.14 shall also apply. **See also paragraph 2.2 of Appendix D.**

37.2 Not out Obstructing the field

A batsman shall not be out Obstructing the field if obstruction or distraction is accidental, or obstruction is in order to avoid injury, or in the case of the striker, he makes a second or subsequent strike to guard his wicket lawfully as in clause 34.3 (Ball lawfully struck more than once). However, see clause 37.3.

37.3 Obstructing a ball from being caught

The striker is out Obstructing the field should wilful obstruction or distraction by either batsman prevent a catch being completed. This shall apply even though the obstruction is

caused by the striker in lawfully guarding his wicket under the provision of clause 34.3 (Ball lawfully struck more than once).

37.4 Returning the ball to a fielder

Either batsman is out Obstructing the field if, at any time while the ball is in play and, without the consent of a fielder, he uses the bat or any part of his person to return the ball to any fielder.

37.5 Runs scored

When either batsman is dismissed Obstructing the field,

37.5.1 unless the obstruction prevents a catch from being made, any runs completed by the batsmen before the offence shall be scored, together with any runs awarded for penalties to either side. See clauses 18.6 (Runs awarded for penalties) and 18.8 (Runs scored when a batsman is dismissed).

37.5.2 if the obstruction prevents a catch from being made, any runs completed by the batsmen shall not be scored but any penalties awarded to either side shall stand.

37.6 Bowler does not get credit

The bowler does not get credit for the wicket.

38 RUN OUT

38.1 Out Run out

Either batsman is out Run out, except as in clause 38.2, if, at any time while the ball is in play,

he is out of his ground and his wicket is fairly put down by the action of a fielder

even though No ball has been called, except in the circumstances of clause 38.2.2.2, and whether or not a run is being attempted.

38.2 Batsman not out Run out

38.2.1 A batsman is not out Run out in the circumstances of clauses 38.2.1.1 or 38.2.1.2.

38.2.1.1 He has been within his ground and has subsequently left it to avoid injury, when the wicket is put down. Note also the provisions of clause 30.1.2 (When out of his ground).

38.2.1.2 The ball, delivered by the bowler, has not made contact with a fielder before the wicket is put down.

38.2.2 The striker is not out Run out in any of the circumstances in clauses 38.2.2.1 and 38.2.2.2.

38.2.2.1 He is out Stumped. See clause 39.1.2 (Out Stumped).

38.2.2.2 No ball has been called and he is out of his ground not attempting a run and the wicket is fairly put down by the wicket-keeper without the intervention of another fielder.

38.3 Which batsman is out

The batsman out in the circumstances of clause 38.1 is the one whose ground is at the end where the wicket is put down. See clause 30.2 (Which is a batsman's ground).

38.4 Runs scored

If either batsman is dismissed Run out, the run in progress when the wicket is put down shall not be scored, but any runs completed by the batsmen shall stand, together with any runs for penalties awarded to either side. See clauses 18.6 (Runs awarded for penalties) and 18.8 (Runs scored when a batsman is dismissed).

38.5 Bowler does not get credit

The bowler does not get credit for the wicket.

39 STUMPED

39.1 Out Stumped

39.1.1 The striker is out Stumped, except as in clause 39.3, if:

a ball which is delivered is not called No ball and he is out of his ground, other than as in clause 39.3.1 and he has not attempted a run when his wicket is fairly put down by the wicket-keeper without the intervention of another fielder. Note, however clause 27.3 (Position of wicket-keeper).

39.1.2 The striker is out Stumped if all the conditions of clause 39.1.1 are satisfied, even though a decision of Run out would be justified.

39.2 Ball rebounding from wicket-keeper's person

If the wicket is put down by the ball, it shall be regarded as having been put down by the wicket-keeper if the ball rebounds on to the stumps from any part of the wicket-keeper's person or equipment or has been kicked or thrown on to the stumps by the wicket-keeper.

39.3 Not out Stumped

39.3.1 The striker will not be out Stumped if he has left his ground in order to avoid injury.

39.3.2 If the striker is not out Stumped he may, except in the circumstances of 38.2.2.2 (Batsman not out Run out), be out Run out if the conditions of clause 38.1 (Out Run out) apply.

40 TIMED OUT

40.1 Out Timed out

40.1.1 After the fall of a wicket or the retirement of a batsman, the incoming batsman must, unless Time has been called, be in position to take guard or for the other batsman to be ready to receive the next ball within 3 minutes of the dismissal or retirement. If this requirement is not met, the incoming batsman will be out, Timed out.

40.1.2 In the event of an extended delay in which no batsman comes to the wicket, the umpires shall adopt the procedure of clause 16.2 (ICC Match Referee awarding a match). For the purposes of that clause the start of the action shall be taken as the expiry of the 3 minutes referred to above.

40.2 Bowler does not get credit

The bowler does not get credit for the wicket.

41 UNFAIR PLAY

41.1 Fair and unfair play – responsibility of captains

The captains are responsible for ensuring that play is conducted within the Spirit of Cricket, as well as within these Playing Conditions.

41.2 Fair and unfair play – responsibility of umpires

The umpires shall be the sole judges of fair and unfair play. If either umpire considers an action, not covered by these Playing Conditions, to be unfair he/she shall intervene without appeal and, if the ball is in play, call and signal Dead ball and implement the procedure as set out in clause 41.9. Otherwise umpires shall not interfere with the progress of play without appeal except as required to do so by these Playing Conditions.

41.3 The match ball – changing its condition

41.3.1 The umpires shall make frequent and irregular inspections of the ball. In addition, they shall immediately inspect the ball if they suspect anyone of attempting to change the condition of the ball, except as permitted in clause 41.3.2.

41.3.2 It is an offence for any player to take any action which changes the condition of the ball.

Except in carrying out his normal duties, a batsman is not allowed to wilfully damage the ball other than, when the ball is in play, in striking it with the bat. See also clause 5.5 (Damage to the ball).

A fielder may, however:

41.3.2.1 polish the ball on his clothing provided that no artificial substance is used and that such polishing wastes no time.

41.3.2.2 remove mud from the ball under the supervision of an umpire.

41.3.2.3 dry a wet ball on a piece of cloth that has been approved by the umpires.

41.3.3 The umpires shall consider the condition of the ball to have been unfairly changed if any action by any player does not comply with the conditions in clause 41.3.2.

41.3.4 If the umpires together agree that the condition of the ball has been unfairly changed by a member or members of either side, or that its condition is inconsistent with the use it has received, they shall consider that there has been a contravention of this clause and decide together whether they can identify the player(s) responsible for such conduct.

41.3.5 If it is possible to identify the player(s) responsible for changing the condition of the ball, the umpires shall:

41.3.5.1 Change the ball forthwith.

41.3.5.1.1 If the umpires together agree that the condition of the ball has been unfairly changed by a member or members of the fielding side, the batsman at the wicket shall choose the replacement ball from a selection of six other balls of various degrees of usage (including a new ball) and of the same brand as the ball in use prior to the contravention.

41.3.5.1.2 If the umpires together agree that the condition of the ball has been unfairly changed by a member or members of the batting side, the umpires shall select and bring into use immediately, a ball which shall have wear comparable to that of the previous ball immediately prior to the contravention.

41.3.5.2 Additionally, the bowler's end umpire shall:

- award 5 Penalty runs to the opposing side.
- if appropriate, inform the batsmen at the wicket and the captain of the fielding side that the ball has been changed and the reason for their action.
- inform the captain of the batting side as soon as practicable of what has occurred.

The umpires shall then report the matter to the MCA Observer and MCA who shall take such action as is considered appropriate against the player(s) concerned.

41.3.6 If it is not possible to identify the player(s) responsible for changing the condition of the ball, the umpires shall:

41.3.6.1 Change the ball forthwith. The umpires shall choose the replacement ball for one of similar wear and of the same brand as the ball in use prior to the contravention.

41.3.6.2 The bowler's end umpire shall issue the captain with a first and final warning, and

41.3.6.3 Advise the captain that should there be any further instances of changing the condition of the ball by that team during the remainder of the series, clause 41.3.5.2 above will be adopted, with the captain deemed to be the player responsible for the contravention.

41.4 Deliberate attempt to distract striker

41.4.1 It is unfair for any fielder deliberately to attempt to distract the striker while he is preparing to receive or receiving a delivery.

41.4.2 If either umpire considers that any action by a fielder is such an attempt, he/she shall immediately call and signal Dead ball and inform the other umpire of the reason for the call.

The bowler's end umpire shall

- award 5 Penalty runs to the batting side.

- inform the captain of the fielding side, the batsmen and, as soon as practicable, the captain of the batting side of the reason for the action.

Neither batsman shall be dismissed from that delivery and the ball shall not count as one of the over.

The umpires may then report the matter to the MCA Match Observer and MCA who shall take such action as is considered appropriate against the fielder concerned.

41.5 Deliberate distraction, deception or obstruction of batsman

41.5.1 In addition to clause 41.4, it is unfair for any fielder wilfully to attempt, by word or action, to distract, deceive or obstruct either batsman after the striker has received the ball.

41.5.2 It is for either one of the umpires to decide whether any distraction, deception or obstruction is wilful or not.

41.5.3 If either umpire considers that a fielder has caused or attempted to cause such a distraction, deception or obstruction, he/she shall immediately call and signal Dead ball and inform the other umpire of the reason for the call.

41.5.4 Neither batsman shall be dismissed from that delivery.

41.5.5 If an obstruction involves physical contact, the umpires together shall decide whether or not an offence under clause 42 (Players' conduct) has been committed.

41.5.5.1 If an offence under clause 42 (Players' conduct) has been committed, they shall apply the relevant procedures in clause 42 and shall also apply each of clauses 41.5.7 to 41.5.9.

41.5.5.2 If they consider that there has been no offence under clause 42 (Players' conduct), they shall apply each of clauses 41.5.6 to 41.5.10.

41.5.6 The bowler's end umpire shall;

- award 5 Penalty runs to the batting side.
- inform the captain of the fielding side of the reason for this action and as soon as practicable inform the captain of the batting side.

41.5.7 The ball shall not count as one of the over.

41.5.8 Any runs completed by the batsmen before the offence shall be scored, together with any runs for penalties awarded to either side. Additionally, the run in progress shall be scored whether or not the batsmen had already crossed at the instant of the offence.

41.5.9 The batsmen at the wicket shall decide which of them is to face the next delivery.

41.5.10 The umpires may then report the matter to the MCA Match Observer and MCA Match Referee who shall take such action as is considered appropriate against the fielder concerned.

41.6 Bowling of dangerous and unfair short pitched deliveries

41.6.1 Notwithstanding clause 41.6.2, the bowling of short pitched deliveries is dangerous if the bowler's end umpire considers that, taking into consideration the skill of the striker, by their speed, length, height and direction they are likely to inflict physical injury on him. The fact that the striker is wearing protective equipment shall be disregarded.

In the first instance the umpire decides that the bowling of short pitched deliveries has become dangerous under 41.6.1:

41.6.1.1 The umpire shall call and signal No ball, and when the ball is dead, caution the bowler and inform the other umpire, the captain of the fielding side and the batsmen of what has occurred. This caution shall apply to that bowler throughout the innings.

41.6.1.2 If there is a second instance, the umpire shall repeat the above procedure and indicate to the bowler that this is a final warning, which shall apply to that bowler throughout the innings.

41.6.1.3 Should there be any further instance by the same bowler in that innings, the umpire shall:

- call and signal No ball
- when the ball is dead, direct the captain of the fielding side to suspend the bowler immediately from bowling
- inform the other umpire for the reason for this action.

The bowler thus suspended shall not be allowed to bowl again in that innings. If applicable, the over shall be completed by another bowler, who shall neither have bowled any part of the previous over, nor be allowed to bowl any part of the next over.

- The umpire shall report the occurrence to the batsmen and, as soon as practicable, to the

captain of the batting side. The umpires may then report the matter to the MCA Match Observer and MCA who shall take such action as is considered appropriate against the bowler concerned.

41.6.2 A bowler shall be limited to two fast short-pitched deliveries per over.

41.6.3 A fast short-pitched delivery is defined as a ball, which passes or would have passed above the shoulder height of the striker standing upright at the popping crease.

41.6.4 The umpire at the bowler's end shall advise the bowler and the batsman on strike when each fast short pitched delivery has been bowled.

41.6.5 In addition, a ball that passes above head height of the batsman, standing upright at the popping crease, that prevents him from being able to hit it with his bat by means of a normal cricket stroke shall be called a Wide. See also clause 22.1.1.2

41.6.5.1 For the avoidance of doubt any fast short pitched delivery that is called a Wide under this playing condition shall also count as one of the allowable short pitched deliveries in that over.

41.6.6 In the event of a bowler bowling more than two fast short-pitched deliveries in an over as defined in clause

41.6.3 above, the umpire at the bowler's end shall call and signal No ball on each occasion. A differential signal shall be used to signify a fast short pitched delivery. The umpire shall call and signal 'No ball' and then tap the head with the other hand.

41.6.7 If a bowler delivers a third fast short pitched ball in an over, the umpire, after the call of No ball and when the ball is dead, shall caution the bowler, inform the other umpire, the captain of the fielding side and the batsmen at the wicket of what has occurred. This caution shall apply throughout the innings.

41.6.8 If there is a second instance of the bowler being No balled in the innings for bowling more than two fast short pitched deliveries in an over, the umpire shall advise the bowler that this is his final warning for the innings.

41.6.9 Should there be any further instance by the same bowler in that innings, the umpire shall:

- call and signal No ball
- when the ball is dead, direct the captain of the fielding side to suspend the bowler immediately from bowling
- inform the other umpire for the reason for this action.

The bowler thus suspended shall not be allowed to bowl again in that innings.

If applicable, the over shall be completed by another bowler, who shall neither have bowled any part of the previous over, nor be allowed to bowl any part of the next over.

- The umpire shall report the occurrence to the batsmen and, as soon as practicable, to the

captain of the batting side.

The umpires may then report the matter to the MCA Match Observer and MCA who shall take such action as is considered appropriate against the bowler concerned.

41.6.10 Should the umpires initiate the caution and warning procedures set out in clauses 41.6.1.3, 41.6.9, and 41.7, such cautions and warnings are not to be cumulative.

41.7 Bowling of dangerous and unfair non-pitching deliveries

41.7.1 Any delivery, which passes or would have passed, without pitching, above waist height of the striker standing upright at the popping crease, is to be deemed to be unfair, whether or not it is likely to inflict physical injury on the striker. If the bowler bowls such a delivery the umpire shall immediately call and signal No ball.

If, in the opinion of the umpire, such a delivery is considered likely to inflict physical injury on the batsman by its speed and direction, it shall be considered dangerous. When the ball is dead the umpire shall caution the bowler, indicating that this is a first and final warning. The umpire shall also inform the other umpire, the captain of the fielding side and the batsmen of what has occurred. This caution shall apply to that bowler throughout the innings.

41.7.2 Should there be any further instance (where a dangerous non-pitching delivery is bowled and is considered likely to inflict physical injury on the batsman) by the same bowler in that innings, the umpire shall:

- call and signal No ball
- when the ball is dead, direct the captain of the fielding side to suspend the bowler immediately from bowling
- inform the other umpire for the reason for this action.

The bowler thus suspended shall not be allowed to bowl again in that innings. If applicable, the over shall be completed by another bowler, who shall neither have bowled any part of the

previous over, nor be allowed to bowl any part of the next over.

Additionally the umpire shall

- report the occurrence to the batsmen and, as soon as practicable, to the captain of the batting side.

The umpires may then report the matter to the ICC Match Referee who shall take such action as is considered appropriate against the bowler concerned. 41.7.3 The warning sequence in clauses 41.7.1 and 41.7.2 is independent of the warning and action sequence in clause 41.6.

41.7.4 If the umpire considers that a bowler deliberately bowled a high full-pitched delivery, deemed to be dangerous and unfair as defined in clause 41.7.1, then the caution and warning in clause 41.7.1 shall be dispensed with. The umpire shall

- immediately call and signal No ball.
- when the ball is dead, direct the captain of the fielding side to suspend the bowler immediately from bowling and inform the other umpire for the reason for this action. The bowler thus suspended shall not be allowed to bowl again in that innings. If applicable, the over shall be completed by another bowler, who shall neither have bowled any part of the previous over, nor be allowed to bowl any part of the next over.
- report the occurrence to the batsmen and, as soon as practicable, to the captain of the batting side. The umpires together shall report the occurrence to the MCA Match Observer who shall take such action as is considered appropriate against the bowler concerned.

41.8 Bowling of deliberate front-foot No ball

If the umpire considers that the bowler has delivered a deliberate front-foot No ball, he/she shall:

- immediately call and signal No ball.
- when the ball is dead, direct the captain of the fielding side to suspend the bowler immediately from bowling
- inform the other umpire for the reason for this action.

The bowler thus suspended shall not be allowed to bowl again in that innings.

If applicable, the over shall be completed by another bowler, who shall neither have bowled any part of the previous over, nor be allowed to bowl any part of the next over.

- report the occurrence to the batsmen and, as soon as practicable, to the captain of the batting side. The umpires together shall report the occurrence to the MCA Match Observer and MCA who shall take such action as is considered appropriate against the bowler concerned.

41.9 Time wasting by the fielding side

41.9.1 It is unfair for any fielder to waste time.

41.9.2 If either umpire considers that the progress of an over is unnecessarily slow, or time is being wasted in any other way, by the captain of the fielding side or by any other fielder, at the first instance the umpire concerned shall:

- if the ball is in play, call and signal Dead ball.
- inform the other umpire of what has occurred.

The bowler's end umpire shall then:

- warn the captain of the fielding side, indicating that this is a first and final warning.
- inform the batsmen of what has occurred.

41.9.3 If either umpire considers that there is any further waste of time in that innings by any fielder, the umpire concerned shall:

- if the ball is in play, call and signal Dead ball.
- inform the other umpire of what has occurred.

The bowler's end umpire shall then award 5 Penalty runs to the batting side and inform the captain of the fielding side of the reason for this action.

Additionally the umpire shall inform the batsmen and, as soon as is practicable, the captain of the batting side of what has occurred.

If the umpires believe that the act of time wasting was deliberate or repetitive, they may lodge a report under the MCA Match Observer and MCA. In such circumstances the Captain and/or any individual members of the fielding team responsible for the time wasting will be charged.

41.10 Batsman wasting time

41.10.1 It is unfair for a batsman to waste time. In normal circumstances, the striker should always be ready to take strike when the bowler is ready to start his run-up.

In addition, an incoming batsman should be in position to take guard or his partner ready to receive the next ball **within 2 minutes** of the fall of the previous wicket.

41.10.2 Should either batsman waste time by failing to meet this requirement, or in any other way, the following procedure shall be adopted. At the first instance, either before the bowler starts his run-up or when the ball becomes dead, as appropriate, the umpire shall

- warn both batsmen and indicate that this is a first and final warning. This warning shall apply throughout the innings. The umpire shall so inform each incoming batsman.
- inform the other umpire of what has occurred.
- inform the captain of the fielding side and, as soon as practicable, the captain of the batting side of what has occurred.

41.10.3 If there is any further time wasting by any batsman in that innings, the umpire shall, at the appropriate time while the ball is dead

- award 5 Penalty runs to the fielding side.
- inform the other umpire of the reason for this action.
- inform the other batsman, the captain of the fielding side and, as soon as practicable, the captain of the batting side of what has occurred.

If the umpires believe that the act of time wasting was deemed to be deliberate or repetitive, they may lodge a report under the MCA Match Observer and MCA. In such circumstances the batsman concerned will be charged.

41.11 The protected area

The protected area is defined as that area of the pitch contained within a rectangle bounded at each end by imaginary lines parallel to the popping creases and 5 ft/1.52 m in front of

each, and on the sides by imaginary lines, one each side of the imaginary line joining the centres of the two middle stumps, each parallel to it and 1 ft/30.48 cm from it.

41.12 Fielder damaging the pitch

41.12.1 It is unfair to cause deliberate or avoidable damage to the pitch. A fielder will be deemed to be causing avoidable damage if either umpire considers that his presence on the pitch is without reasonable cause.

41.12.2 If a fielder causes avoidable damage to the pitch, other than as in clause 41.13.1, at the first instance the umpire seeing the contravention shall, when the ball is dead, inform the other umpire. The bowler's end umpire shall then

- caution the captain of the fielding side and indicate that this is a first and final warning. This warning shall apply throughout the innings.
- inform the batsmen of what has occurred.

41.12.3 If, in that innings, there is any further instance of avoidable damage to the pitch, by any fielder, the umpire seeing the contravention shall, when the ball is dead, inform the other umpire. The bowler's end umpire shall then

- award 5 Penalty runs to the batting side.

Additionally the umpire shall

- inform the fielding captain of the reason for this action.
- inform the batsmen and, as soon as practicable, the captain of the batting side of what has occurred. The umpires together shall report the occurrence to the MCA Match Observer and MCA who shall take such action as is considered appropriate against the fielder concerned.

41.13 Bowler running on protected area

41.13.1 It is unfair for a bowler to enter the protected area in his follow-through without reasonable cause, whether or not the ball is delivered.

41.13.2 If a bowler contravenes this clause, at the first instance and when the ball is dead, the umpire shall

- caution the bowler and inform the other umpire of what has occurred. This caution shall apply to that bowler throughout the innings.
- inform the captain of the fielding side and the batsmen of what has occurred.

41.13.3 If, in that innings, the same bowler again contravenes this clause, the umpire shall repeat the above procedure indicating that this is a final warning. This warning shall also apply throughout the innings.

41.13.4 If, in that innings, the same bowler contravenes this clause a third time, when the ball is dead, the umpire shall,

- direct the captain of the fielding side to suspend the bowler immediately from bowling. If applicable, the over shall be completed by another bowler, who shall neither have bowled any part of the previous over, nor be allowed to bowl any part of the next over. The bowler taken off shall not be allowed to bowl again in that innings.
- inform the other umpire of the reason for this action.
- inform the batsmen and, as soon as practicable, the captain of the batting side of what has occurred. The umpires may then report the matter to the MCA Match Observer and MCA Match Referee who shall take such action as is considered appropriate against the bowler concerned.

41.14 Batsman damaging the pitch

41.14.1 It is unfair to cause deliberate or avoidable damage to the pitch. If the striker enters the protected area in playing or playing at the ball, he must move from it immediately thereafter. A batsman will be deemed to be causing avoidable damage if either umpire considers that his presence on the pitch is without reasonable cause.

41.14.2 If either batsman causes deliberate or avoidable damage to the pitch, other than as in clause 41.15, at the first instance the umpire seeing the contravention shall, when the ball is dead, inform the other umpire of the occurrence. The bowler's end umpire shall then

- warn both batsmen that the practice is unfair and indicate that this is a first and final warning. This warning shall apply throughout the innings. The umpire shall so inform each incoming batsman.
- inform the captain of the fielding side and, as soon as practicable, the captain of the batting side of what has occurred.

41.14.3 If there is any further instance of avoidable damage to the pitch by any batsman in that innings, the umpire seeing the contravention shall, when the ball is dead, inform the other umpire of the occurrence.

The bowler's end umpire shall

- disallow all runs to the batting side
- return any not out batsman to his original end
- signal No ball or Wide to the scorers if applicable.
- award 5 Penalty runs to the fielding side.
- award any other 5-run Penalty that is applicable except for Penalty runs under clause 28.3 (Protective helmets belonging to the fielding side).
- Inform the captain of the fielding side and, as soon as practicable, the captain of the batting side of the reason for this action.

The umpires together shall report the occurrence to the MCA Match Observer and MCA who shall take such action as is considered appropriate against the batsman concerned.

41.15 Striker in protected area

41.15.1 The striker shall not adopt a stance in the protected area or so close to it that frequent encroachment is inevitable.

The striker may mark a guard on the pitch provided that no mark is unreasonably close to the protected area.

41.15.2 If either umpire considers that the striker is in breach of any of the conditions in clause 41.15.1, if the bowler has not entered the delivery stride, he/she shall immediately call Dead ball, otherwise, wait until the ball is dead; he/she shall then inform the other umpire of the occurrence. The bowler's end umpire shall then:

- warn the striker that the practice is unfair and indicate that this is a first and final warning. This warning shall apply throughout the innings. The umpire shall so inform the non-striker and each incoming batsman.

- inform the captain of the fielding side and, as soon as practicable, the captain of the batting side of what has occurred.

41.15.3 If there is any further breach of any of the conditions in clause 41.15.1 by any batsman in that innings, the umpire seeing the contravention shall, if the bowler has not entered his delivery stride, immediately call and signal Dead ball, otherwise, he/she shall wait until the ball is dead and then inform the other umpire of the occurrence.

The bowler's end umpire shall

- disallow all runs to the batting side
- return any not out batsman to his original end
- signal No ball or Wide to the scorers if applicable.
- award 5 Penalty runs to the fielding side.
- award any other 5-run Penalty that is applicable except for Penalty runs under clause 28.3 (Protective helmets belonging to the fielding side).
- inform the captain of the fielding side and, as soon as practicable, the captain of the batting side of the reason for this action.

The umpires together shall report the occurrence to the MCA Match Observer and MCA Match who shall take such action as is considered appropriate against the batsman concerned.

41.16 Non-striker leaving his ground early

If the non-striker is out of his ground from the moment the ball comes into play to the instant when the bowler would normally have been expected to release the ball, the bowler is permitted to attempt to run him out. Whether the attempt is successful or not, the ball shall not count as one in the over.

If the bowler fails in an attempt to run out the non-striker, the umpire shall call and signal Dead ball as soon as possible.

41.17 Batsmen stealing a run

41.17.1 It is unfair for the batsmen to attempt to steal a run during the bowler's run-up.

Unless the bowler attempts to run out either batsman – see clauses 41.16 and 21.4 (Bowler throwing towards striker's end before delivery) – the umpire shall

- call and signal Dead ball as soon as the batsmen cross in such an attempt.
- inform the other umpire of the reason for this action.

The bowler's end umpire shall then

- return the batsmen to their original ends.
- award 5 Penalty runs to the fielding side.
- inform the batsmen, the captain of the fielding side and, as soon as practicable, the captain of the batting side, of the reason for this action.

The umpires may then report the matter to the MCA Match Observer and MCA who shall take such action as is considered appropriate against the batsman concerned.

41.18 Penalty runs

41.18.1 When Penalty runs are awarded to either side, when the ball is dead the umpire shall signal the Penalty runs to the scorers. See clause 2.13 (Signals).

41.18.2 Penalty runs shall be awarded in each case where these Playing Conditions require the award, even if a result has already been achieved. See clause 16.6 (Winning hit or extras).

Note, however, that the restrictions on awarding Penalty runs, in clauses 23.3 (Leg byes not to be awarded), 34.4 (Runs scored from ball lawfully struck more than once) and 28.3 (Protective helmets belonging to the fielding side), will apply.

41.18.3 When 5 Penalty runs are awarded to the batting side under any of clauses 24.4 (Player returning without permission), 28.2 (Fielding the ball), 28.3 (Protective helmets belonging to the fielding side) or under 41.3, 41.4, 41.5, 41.9 or 41.12, then

- they shall be scored as Penalty extras and shall be in addition to any other penalties.
- they are awarded when the ball is dead and shall not be regarded as runs scored from either the immediately preceding delivery or the immediately following delivery, and shall be in addition to any runs from those deliveries.
- the batsmen shall not change ends solely by reason of the 5 run penalty.

41.18.4 When 5 Penalty runs are awarded to the fielding side, under clause 18.5.2 (Deliberate short runs), or under 41.10, 41.14, 41.15 or 41.17, they shall be added as Penalty extras to that side's total of runs in its most recently completed innings. If the fielding

side has not completed an innings, the 5 Penalty runs shall be added to the score in its next innings.

41.19 Unfair actions

41.19.1 If an umpire considers that any action by a player, not covered in these Playing Conditions, is unfair, he/she shall call and signal Dead ball, if appropriate, as soon as it becomes clear that the call will not disadvantage the non-offending side, and report the matter to the other umpire.

The bowler's end umpire shall

41.19.1.1 If this is a first offence by that side

- summon the offending player's captain and issue a first and final warning which shall apply to all members of the team for the remainder of the match.
- warn the offending player's captain that any further such offence by any member of his team shall result in the award of 5 Penalty runs to the opposing team.

41.19.1.2 If this is a second or subsequent offence by that side

- award 5 Penalty runs to the opposing side

41.19.1.3 The umpires may then report the matter to the MCA Match Observer and MCA who shall take such action as is considered appropriate against the player concerned.

A fielder's equipment is any external protective equipment that he is wearing.

2.5 **The bat** – the following are to be considered as part of the bat:

- the whole of the bat itself.
- the whole of a glove (or gloves) worn on the hand (or hands) holding the bat.
- the hand (or hands) holding the bat, if the batsman is not wearing a glove on that hand or on those hands.

2.6 **Held in batsman's hand.** Contact between a batsman's hand, or glove worn on his hand, and any part of the bat shall constitute the bat being held in that hand.

3 The playing area

3.1 **The field of play** is the area contained within the boundary.

3.2 **The square** is a specially prepared area of the field of play within which the match pitch is situated.

3.3 **The outfield** is that part of the field of play between the square and the boundary.

4 Positioning

4.1 **Behind the popping crease** at one end of the pitch is that area of the field of play, including any other marking, objects and persons therein, that is on that side of the popping crease that does not include the creases at the opposite end of the pitch. **Behind**, in relation to any other marking, object or person, follows the same principle. See the diagram in paragraph 13.

4.2 **In front of the popping crease** at one end of the pitch is that area of the field of play, including any other marking, objects and persons therein, that is on that side of the popping crease that includes the creases at the opposite end of the pitch. **In front of**, in relation to any other marking, object or person, follows the same principle. See the diagram in paragraph 13.

4.3 **The striker's end** is the place where the striker stands to receive a delivery from the bowler only insofar as it identifies, independently of where the striker may subsequently move, one end of the pitch.

4.4 **The bowler's end** is the end from which the bowler delivers the ball. It is the other end of the pitch from the striker's end and identifies that end of the pitch that is not the striker's end as described in paragraph 4.3.

4.5 **The wicket-keeper's end** is the same as the striker's end as described in paragraph 4.3.

4.6 **In front of the line of the striker's wicket** is in the area of the field of play in front of the imaginary line joining the fronts of the stumps at the striker's end; this line to be considered extended in both directions to the boundary. See paragraph 4.2.

4.7 **Behind the wicket** is in the area of the field of play behind the imaginary line joining the backs of the stumps at the appropriate end; this line to be considered extended in both directions to the boundary. See paragraph 4.1.

4.8 **Behind the wicket-keeper** is behind the wicket at the striker's end, as defined above, but in line with both sets of stumps and further from the stumps than the wicket-keeper.

4.9 **Off side/on (leg) side** – see diagram in paragraph 13

4.10 **Inside edge** is the edge on the same side as the nearer wicket.

5 Umpires and decision-making

5.1 **Umpire** – where the description **the umpire** is used on its own, it always means 'the bowler's end umpire' though this full description is sometimes used for emphasis or clarity. Similarly **the umpires** always means both umpires and the third umpire. **An umpire** and **umpires** are generalised terms. Otherwise, a fuller description indicates which one of the umpires is specifically intended. Each umpire will be bowler's end umpire and striker's end umpire in alternate overs.

5.2 **Bowler's end umpire** is the umpire who is standing at the bowler's end (see paragraph 4.4) for the current delivery.

5.3 **Striker's end umpire** is the umpire who is standing at the striker's end (see paragraph 4.3), to one side of the pitch or the other, depending on his/her choice, for the current delivery.

5.4 **Umpires together agree** applies to decisions which the umpires are to make jointly, independently of the players.

6 Batsmen

6.1 **Batting side** is the side currently batting, whether or not play is in progress.

6.2 **Member of the batting side** is one of the players nominated by the captain of the batting side, or any authorised replacement for such nominated player.

6.3 **A batsman's ground** – at each end of the pitch, the whole area of the field of play behind the popping crease is the ground at that end for a batsman.

6.4 **Original end** is the end where a batsman was when the ball came into play for that delivery.

6.5 **Wicket he has left** is the wicket at the end where a batsman was at the start of the run in progress.

6.6 **Guard position** is the position and posture adopted by the striker to receive a ball delivered by the bowler

7 Fielders

7.1 **Fielding side** is the side currently fielding, whether or not play is in progress.

7.2 **Member of the fielding side** is one of the players nominated by the captain of the fielding side, or any authorised replacement or substitute for such nominated player.

7.3 **Fielder** is one of the 11 or fewer players who together represent the fielding side on the field of play. This definition includes not only both the bowler and the wicket-keeper but also nominated players who are legitimately on the field of play, together with players legitimately acting as substitutes for absent nominated players. It excludes any nominated player who is absent from the field of play, or who has been absent from the field of play and who has not yet obtained the umpire's permission to return.

A player going briefly outside the boundary in the course of discharging his duties as a fielder is not absent from the field of play nor, for the purposes of clause 24.2 (Fielder absent or leaving the field of play), is he to be regarded as having left the field of play.

8 Substitutes

8.1 A **Substitute** is a player who takes the place of a fielder on the field of play, but does not replace the player for whom he substitutes on that side's list of nominated players. A substitute's activities are limited to fielding.

9 Bowlers

9.1 **Over the wicket / round the wicket** – If, as the bowler runs up between the wicket and the return crease, the wicket is on the same side as his bowling arm, he is bowling over the

wicket. If the return crease is on the same side as his bowling arm, he is bowling round the wicket.

9.2 **Delivery swing** is the motion of the bowler's arm during which he normally releases the ball for a delivery.

9.3 **Delivery stride** is the stride during which the delivery swing is made, whether the ball is released or not. It starts when the bowler's back foot lands for that stride and ends when the front foot lands in the same stride.

The stride after the delivery stride is completed when the next foot lands, i.e. when the back foot of the delivery stride lands again.

9.4 The **Illegal Bowling Regulations** are the MCA'S Suspect action policy.

9.8 The MCA Suspect action **Form** is the form provided for by MCA of the Illegal Bowling Regulations, by which an umpire and MCA Observer may submit a report relating to a suspected Illegal Bowling Action.

10 The ball

10.1 **The ball is struck/strikes the ball** unless specifically defined otherwise, mean 'the ball is struck by the bat'/'strikes the ball with the bat'.

10.2 **Rebounds directly/strikes directly** and similar phrases mean 'without contact with any fielder' but do not exclude contact with the ground.

10.3 **Full-pitch** describes a ball delivered by the bowler that reaches or passes the striker without having touched the ground. Sometimes described as non-pitching.

11 Runs

11.1 **A run to be disallowed** is one that in these Playing Conditions should not have been taken. It is not only to be cancelled but the batsmen are to be returned to their original ends.

11.2 **A run not to be scored** is one that is not illegal, but is not recognised as a properly executed run. It is not a run that has been made, so the question of cancellation does not arise. The loss of the run so attempted is not a disallowance and the batsmen will not be returned to their original ends on that account.

12 The person

12.1 **Person**; A player's person is his physical person (flesh and blood) together with any clothing or legitimate external protective equipment that he is wearing except, in the case of a batsman, his bat.

A hand, whether gloved or not, that is not holding the bat is part of the batsman's person.

No item of clothing or equipment is part of the player's person unless it is attached to him.

For a batsman, a glove being held but not worn is part of his person.

For a fielder, an item of clothing or equipment he is holding in his hand or hands is not part of his person.

12.2 Clothing – anything that a player is wearing, including such items as spectacles or jewellery, that is not classed as external protective equipment is classed as clothing, even though he may be wearing some items of apparel, which are not visible, for protection. A bat being carried by a batsman does not come within this definition of clothing.

12.3 Hand for batsman or wicket-keeper shall include both the hand itself and the whole of a glove worn on the hand.

13 Off side / on side; in front of / behind the popping crease.
